

(Headquarters of Perry Davis' Pain Killer in Montreal.)

PAIN KILLER.—It cures, when taken internally, Cramp, Cholera, Dysentery, Diarrhœa, Painter's Colic, Bowel Complaints, Pain in the Stomach, Liver Complaints, Sore Throat, Sudden Colds, Coughs, Dyspepsia, Indigestion, etc. When used externally, it cures Boils, Felons, Cuts, Bruises, Burns and Scalds, Old Sores, Sprains, Swelling of Joints, Toothache, Pain in the Face, Neuralgia, Rheumatism, Frosted Feet, etc. For **CHOLERA MORBUS AND CHOLERA INFANTUM**, as well as all Summer Complaints of a similar nature, it acts with wonderful rapidity, and never fails when taken at the commencement of an attack, and often cures after every other remedy has failed. For **SORE THROAT, SUDDEN COLDS AND DIPHTHERIA**, no remedy has ever been discovered so powerful to cure. As a Liniment it has no equal in curing Rheumatism or Neuralgia, Burns and Bruises, and wounds of every description. It is the cheapest and best remedy ever offered to the public. Mothers will find it invaluable in the nursery, and it should always be kept near at hand in case of accident. For pain in the breasts, take a little Pain Killer in sweetened milk and water, bathing the breasts in it clear at the same time. If the milk passages are clogged from cold or other causes, bathing in the Pain Killer will give immediate relief.

BEWARE OF ALL COUNTERFEITS AND IMITATIONS.—The genuine is put up only in panel bottles, with labels finely engraved on steel, the name being also blown in the bottles.
