BROWNVILLE, Me., May 22.-About one bundred and fifty persons were seen that the Repeated of the second of

said they have arranged/matters sails factorily. The governor is said to have acted under French influence. Discontent was manifested in diplo-matic circles here by the announcement that the Korean emperor had appoint-ed a Beigian, Mr. Bohm, special ad-viser, a post held by Mr. Kato, a Ja-panese. Japanese Minister Hashi has demanded that seniority of position be assured Mr. Kato. The most serious trouble in Korea centres around a timber cutting con-tract held by the Russians on the Taiu River, on the borders of Korea. This has former a pretext for Bussia import-

by the same train. During the evening, Mr. The in addition to many flattering River, on the borders of Korea. This has former a pretext for Russia import-ing troops nominally to protect the workmen. Japan has claimed a similar concession and negotiations are pend-ing. section with a case of silva a pair of field glasss. The
