WERNER HORNE

SHOWS NO SIGNS

OF INSANITY

Examined by three physi-
cians in Boston jail and
declared perfectly sane.

Boston, Feb. 12.—It was learned to-
day that Werner Van Horn, an officer
of the German Landwehr, who is ac-
cused of having attempted to wreck
a railroad bridge across the interna-
tional boundary at Vanceboro, Maine,
has been declared sane by three physi-
cians who recently examined him. Van
Horn is in the East Cambridge Jail.

The examination was made at the
request of the local district attor-
ney's office after the jailer had re-
ported that Van Horn had shown ner-
vous symptoms. According to a
statement issued by Van Horn's coun-
sel tonight, the physicians agreed that
they found no indication of insanity in
the prisoner, and it is understood that
a report to that effect has been made
by the district attorney to the depart-
ment of Justice in Washington.

**IF YOUR THROAT IS HUSKY
CATARRH MAY BE STARTING.**

A weak or irritated throat is the first
step towards Catarrh. Everything that
depends on your remedy. A cough mis-
takes slips quickly over the weak spots,
drops into the stomach and does little
but harm digestion. It's altogether dif-
ferent with Catarrh—It cures be-
cause it gets right at the trouble. You
inhale Catarrhoxone, breathe in the va-
por of healing balsams that strengthen
and restore the weak throat tissues.
You'll never have colds or coughs.
Throat trouble and catarrh will disap-
pear with the use of Catarrhoxone. Get
the large dollar outfit which includes
the Inhaler; it lasts three months and is
guaranteed to cure. Smaller sizes, 25c
and 50c, sold everywhere.

ous friends.

HUNS ATTACK

FRENCH LINE

IN THE WEST

(Continued from page 1)

"In Champagne in an isolated at-
tack between the roads from Navrin
and St. Souplet we made some prison-
ers. To the east of this road from
Tahure to Somme-A-Py the enemy
gained a foothold in some sections of
the advanced trenches.

"In Argonne we carried out a des-
tructive fire on the enemy organiza-
tions to the north of Four De Paris."

**More About Alleged Loss of British
Cruisers.**

Berlin, via wireless to Sayville, Feb.

Arabis another British vessel was sunk
by a German torpedo in the North
Sea, according to an official admiralty
statement.

**Could Not Stand
The Least Excitement.**

Was So Weak and Run Down.

Many women become run down and
weak out by their household cares and
duties never ending, and sooner or later
find themselves with shattered nerves
and weak hearts.

When the heart becomes weak, and
the nerves unstrung, it is impossible for
a woman to look after her household or
social duties. The least little exertion
or excitement leaves her in an exhausted
condition, and not fit to do anything.

On the first sign of any weakness of
the heart or nerves, you will be wise if
you start to take Milburn's Heart and
Nerve Pills.

This remedy will act directly on the
disordered heart making it beat strong
and regular, and will also invigorate and
strengthen the nerves so as to make
them steady and firm.

Mrs. J. A. Williams, Tillamook, Ore.,
writes: "I cannot speak too highly of
Milburn's Heart and Nerve Pills. I be-
lieved greatly with my nerves. I was
so weak and run down, I could not stand
the least excitement of any kind. I be-
lieve your Heart and Nerve Pills to be
a valuable remedy for all sufferers from
nervous trouble."

Milburn's Heart and Nerve Pills are
the original remedy for all heart and
nervous troubles. Price 50 cents per box
3 boxes for \$1.50, at all dealers or mailed

PATRIOTISM OF CANADIAN INDIANS

"Please, sir, may I go to Regina to
enlist?"

According to a prominent C.P.R. of-
ficial this question was put to a govern-
ment inspector at the File Hills Indian
Agency, Balcarres, Sask., and the
speaker was a tall young Indian.

After looking sympathetically at the
prospective soldier the inspector said:
"I'm afraid your eyes are not strong
enough to pass the sight test."

The Indian stood his ground, and
seeing that he was not to be put off
without a test, the inspector got a
newspaper, and holding it before the
eyes of the Indian who was only a few
yards off, asked him if he could make
out a large letter to which he pointed
his finger.

Like many of the white people, this
Indian thought he could see every-
thing, though, in fact, he was almost
blind. His eyes expanded with en-
thusiasm. He looked towards the
paper; he stretched his neck; his face
glowed deeper than before; he paused,
and he faltered: "It's A-A-C."

The letter was O. The youth had
lost his chance. He possessed a spirit
that could dash into the mouth of a
German cannon and hands that could
slay a hundred Germans without tiring.
These were wonderful gifts, but alas!
his sight was too weak to enable him
to perform the simple task of making
out a letter.

"Good night," was all he said as he
left the room.

Altogether there are fourteen of the
File Hills Indians in the Canadian
army; others are joining the forces,
but owing to physical defects and
ignorance of the English language,
many are prevented from joining.

The Indian population of File Hills at pre-
sent is 64 men, 76 women and 164
children, so it must be considered that
these people have done pretty well for
the color.

Besides the Indian population of
File Hills there are 7 men, 11 women
and 4 children of the white race living
there. All units in doing the best they
can for the Empire, and the loyalty
of the Indians is staunch as that of
their neighbors.

Since March, 1915, \$1,100 has been
raised for the Red Cross Society, which
has 164 Indian members. During the
fall of 1914, thirty-three members of
the Agency gave \$602 for the Patriotic
Fund. A Patriotic Fund Association
is now in full working order, and in
one month the Indians have subscribed
\$20. Last winter an Indian concert
brought \$121 for the Belgian Relief
Fund. Last fall an entertainment for
the same purpose brought in \$14. The
concerts that may be held in the fu-
ture are not likely to be so successful
as the early ones, for ten of the origi-
nal nineteen players and singers are
now wearing khaki.

Between the causes mentioned, the
Tobacco Fund, and the Red Cross, the
Indians at File Hills have given or
assisted in raising nearly \$2,000 as
their share in helping Canada in the
war. Have well-off Canadian Cana-
dians done as much?

The Indian women knit socks, make
shirts, pyjamas, wristlets, scarfs, hand-
kerchiefs, bandages and belts for the
soldiers who are fighting on the bat-
tlefields or those who are wounded in
battle. Some very aged Indian women
make beautiful beads which realize
substantial sums when sold for patri-
otic objects.

In The St. John Houses

A southern girl who was educated in
Boston. She played for motion pic-
tures in the Nestor Company, now ap-
pears in many plays produced by the
American Film Company.

Charlotte Burton, the other sister
in the above play, is from San Fran-
cisco. She was on the stage at seven
years of age and played with Nana
O'Neil at sixteen. She is Vivian Mar-
ston in The Diamond from the Sky.

Miss Fannie Ward married her lead-
ing man, Jack Dean. They expect to be
in California most of this year.

Crane Wilber and Miss Arlene
Archibald were also married quite re-
cently.

A beautifully colored film of the Be-
loved Vagabond was shown by Pathe
lately. The second colored film is cal-
led The Shrine of Happiness. It was
produced by Balboa in Southern Cali-
fornia and the scenery lends itself for
coloring. The best results obtained
so far have been by tinting, with great
pains and expense, each tiny picture
by hand. Those who have seen a film
could realize the time that would take.

For the uninitiated a motion picture
film is exactly one and three-eighths
inch wide and with an average length
of 1,000 feet to a reel. The actual pic-
ture is about one inch wide with the
edge perforated with small holes which
fit on the clogs of the machine wheel.
There are sixteen pictures to a foot
and lettering is
