APOHAQUI

Apoahqui, Feb. 1.—The pupils in the advanced grades of the Superior School had a very pleasant outing on Thursday evening last, in the form of a sleigh ride. Leaving the village at 7 o'clock the jolly party after a joy ride made success their objective point, where they attended the movies, some taking in "The Battle of the Somme," while others preferred the antics of Charlie Chaplin at the Hippodrome. The Misses Jeanie McBeath and Martha McVey of the teaching staff, chaperoned the party.

After the close of the meeting a social hour was spent very pleasantly during which tea was served.

The local Red Cross Society, as well as those of Berwick and Lower Millstream, are continuing their good work with much zeal. Large shipments of socks have recently been sent from the Apoahqui and Lower Millstream branches, and in addition to which the Lower Millstream Society has sent a considerable number of hospital shirts, also a quantity of socks to Miss Marjorie Barnes of Hampton, who is soliciting socks for overseas service.

The Berwick Society has in readiness a large shipment of socks to be sent at an early date, and has also made a number of quilts and hospital shirts. One pair of the socks was contributed by a very young lady, Miss Alice Northrup, who is only 9 years of age, yet had knitted them as skillfully as one of mature years. The Lower Millstream branch of the Women's Institute have recently contributed \$12.00 to the Red Cross Societies of that place and Berwick, donating \$6.00 to each society. The money so profitably donated, had been received by the institute as a prize for the second best exhibit of preserved fruits at the Apple Fair, which was held in St. John last fall.

Shortness of Breath

When the heart becomes affected, there ensues a feeling of a choking sensation, a shortness of breath, palpitation, throbbing, irregular beating, smothering sensation, dizziness, and a weak, sinking, all-over feeling of oppression and anxiety.

The nerves become unstrung, you dread to be alone, have a horror of society, start at the least noise and are generally fatigued.

On the local sign of the heart becoming weakened or the nerves unstrung, Milburn's Heart and Nerve Pills should be taken. They are just what you require at this time. They regulate and stimulate the heart, and strengthen and restore the whole nerve system.

Mrs. C. M. Cormier, Buctouche, N. B., writes: "Since two years ago I was troubled with a shortness of breath, and sometimes I could hardly breathe. I went to see several doctors, and they said it was from my heart and nerves, but they did not seem to do me any good. One day I got one of your B.B.B. Almanacs and read of a case similar to mine."
