CONVENT OF
Our Lady of the Sacred Heart,

ST. JOSEPH'S, WEST. CO., N. B.

... Established 1873. ...

BOARDING AND DAY SCHOOLS.

The Convent of Our Lady of the Sacred Heart occupies a pleasing location at the foot of the western slope of the Memramcook Valley. Around it in the distance arises the chain of highland which encircles this picturesque valley, and which opens to the south, where the Memramcook River makes to the sea, with the beautiful town of Dorchester lying snugly on a semicircle of hills to lend character to the gap. Within a stone's throw of the convent grounds the river flows and ebbs, pulsing to the giant heart-beats of the adjacent ocean. Elsewhere, on all sides but one, Acadian meadows, walled in by peaceful dykes, spread out their broad area of waving green till the fenland is lost in the cultivated slopes of the valley sides.
