WARD CASSELMAN HEADS
L. R. C. DIRECTORATE

The shareholders of the London Rowing Club held their annual meeting at the county buildings yesterday afternoon, electing the following directors: W. Turnbull, J. S. McDougall, W. A. Casselman, W. J. Snodgrass, John Macpherson, W. J. Ashplant, Edmund Weid, J. M. Hunt.

Mfrs. Ball Tossers Will
Prepare For Big Season

Meet Thursday Night At Brisco's Store To Get Re-organized—Good Ball Last Season.

This warm spell has started the amateurs into realization that spring is camping right on the doorstep. The first of the amateur baseball organizations to get real worried about the situation is the Manufacturers, and they are holding a meeting Thursday night at Brisco's store to find out where they stand on the program this season.

DEATH TAKES TWO
TILBURY RESIDENTS

Tilbury, April 5.—Charles Reame, Concession 6, Tilbury Township, the oldest native resident of that municipality, passed away at the family home on Sunday.

He was born in Tilbury East, in February, 1840, and resided there continuously until his death. For the past 45 years he has occupied the same farm. He helped to cut the woods and make the roadways on the fifth and sixth concessions. He also worked on the grading and building the old Canada Southern Railway, now the M. C. R. R., through Tilbury East, and Raleigh.

He leaves three sons, James at home, and Charles and William of Tilbury East, and three daughters, Mrs. Julia Ames, Oida, Alberta, Mrs. Joseph Noulle, Chatham; and Mrs. Julius Gurin, Tilbury East. His wife predeceased him five years. The funeral will be held on Wednesday morning, and interment will be made in St. Peter's R. C. Cemetery, Tilbury East.

Mrs. Margaret Kendall, of Tilbury East, passed away quite suddenly from heart failure, at the home of her grand daughter, Mrs. R. Lounsbury, Tecumseh road. She was in her 80th year and was born in Chatham Township, and has been a resident of Tilbury East for the past seventeen years. Her husband died about fourteen years ago. Three sons and three daughters survive: George and Samuel of Detroit, Jason of Wallaceton, Mrs. Angus Mitchell, Stratford, and Mrs. H. DeLute of Merlin. A daughter, Mrs. Charles Alnall, died three years ago in Alma. Funeral services will be conducted at the home on Friday morning by Rev. T. Debon, and interment will be in Christ's Church Cemetery, Ouyry.

FINE NEW PARK IS
PLANNED AT AYR

AYR, April 5.—Farmers all through this district are taking full advantage of the splendid weather and are making great progress with the ploughing. The wheat is in splendid condition and the outlook generally is for a prosperous year.

The local fire brigade held its regular practice last evening and had a good workout laying hose.

ILL HEALTH OFTEN DUE
TO NEGLECT OF KID-
NEYS AND LIVER

Many organs take part in assimilation of food, and a number are active in eliminating those portions of the food which are not taken into the blood for the upbuilding of the body. Of the eliminative organs, the liver and the kidneys are of major importance, and are most likely to be overworked and become diseased. When such is the case, various troubles of a digestive and eliminative character occur, and such troubles are so frequent and so common that it is absolutely necessary to find some relief. Warner's Safe Kidney and Liver Remedy was compounded over 40 years ago to help equalize the work of both kidneys and liver. How successful it has been is evidenced by its widespread sale and its value is attested by an immense number of appreciative users who through these many years have put it to the severest tests with the most satisfactory results.

Warner's Safe Kidney and Liver Remedy contains no harmful ingredients and should be used when the kidneys need attention.

Two sizes. Sold by leading druggists everywhere. Warner's Safe Kidney and Liver Remedy Co., Toronto, Ont.

MAPLE SUGAR WAS
GENUINE ARTICLE

Samples Tested At Brantford by Inspector Were Pure.

BRANTFORD, April 5.—Samples of maple sugar examined by W. E. Wilson, of the inland revenue department, London, were all genuine, according to the report received by the local health department.

That David Lloyd George would visit this city in the event of his making a tour of Canada during the next few years, is the assurance which has just been received by Ald. John Robertson, a boyhood friend of the British premier, from his wife, Dame Margaret Lloyd George.

"Fussfoot" Johnson will surely visit Brantford and deliver his famous temperance addresses here, according to advices received today, from Columbus, Ohio, where he has been during the past few weeks recovering from an attack of bronchitis.

The statement that one-man street cars were operated in this city contrary to the law which provides that there must be two men to operate a car over a level crossing, is denied by the street railway department. One-man cars are used but they are manned by two men.

The construction of the Brantford-Hamilton provincial highway will be recommended as soon as possible, according to advices from Hon. F. C. Biggs. An appeal has been made locally to commence the work as soon as possible to help the unemployment situation.

CAPTAIN LEROYER
FALLS TO DEATH

Famous Aviator Fatally Injured in Accident At Camp Borden.

OTTAWA, April 5.—Capt. J. A. Leroyer, M. C. of Ottawa, has been killed in an aerobial accident at Camp Borden, according to information received here today. Details of the accident are lacking. The late Capt. Leroyer made an enviable record in the Canadian Air Force in the late war, and was officially credited with crashing seven enemy planes. A widow and two children survive.

Capt. Leroyer went to the Yukon last year, blazing the trail for the American aeroplanes, which flew from the States to the far north.

3,000 U. S. SOLDIERS
WED GERMAN GIRLS

Matrimonial Epidemic On the Rhine Halts As Withdrawal Looms.

Paris, April 6.—More than 3,000 American soldiers, who the Rhine have married German girls, but the daily marriages have ceased since the possibility loomed large that the American occupation of the intrinsically, after a special investigation of what changes the American occupation had wrought in the Rhine city.

These marriages, the correspondent writes, "were among young women of the commoner German families, the bourgeoisie always remaining very distant from the American officers, and even from the diplomats of the inter-allied commission."

The correspondent commends the discipline which Major-General Henry T. Allen, commanding the American forces, has maintained in the Coblenz area, declaring he has created the greatest respect in the German mind by his distinctly American methods. For instance, when Coblenz was thronged into the streets one Sunday last month and the Germans there were trying to provoke a demonstration against further French occupation of German territory, 500 khaki-clad troops suddenly marched out of their barracks, manoeuvred and were drawn up in the streets without a single order and then returned to their barracks, leaving the crowd completely astonished and cowed. Several days later the Germans were astonished by a great military show, in which a sham battle was staged in a ravine, real shells being fired which shattered tree trunks, while real bullets rattled from hidden machine guns.

"The Americans," he concludes, "during nearly three years have shown the admiring Germans a force which should be replaced by one which is just as peremptory, just as rough, just as firm, but there must be no such marrying of the French as to take over the Coblenz bridgehead."

DISARMING THE POLICE. DUBLIN, April 6.—All the arms and ammunition in possession of the Dublin Metropolitan Police have been collected. It is considered unlikely that they will carry arms in the future, owing to their recent disarmament at the hands of rebels.

An Invalid Can
Ride in an Auto.

The woman who can live outdoors and take vigorous exercise is usually healthy and well. But there comes a time in every woman's life when her nerves are on edge. Very often the trouble is in the organs essentially feminine. Worry, sleepless nights, headaches, pains and weakness of a distinctly feminine character in a short time bring the pale face, the dull eyes, the "crow's feet," the haggard look, drooping shoulders and the faltering step. To retain the appearance of youth, a woman must retain health. Instead of lotions, powders and paints ask your druggist for Dr. Pierce's Favorite Prescription. This is the woman's temperance tonic and nerve which has had the approval of thousands of women for over fifty years. It comes in liquid or tablet form, or send ten cents in stamps to the Invalids' Hotel, Buffalo, N. Y., for trial package of the tablets.

BARRIE, Ont.—"I was suffering from a run-down system some time ago, and was advised to try Dr. Pierce's Favorite Prescription. I tried it, took two bottles, and was restored to my natural strength. I cannot praise Dr. Pierce's medicines too highly, and will be willing to write to anyone sending stamped envelope."—Mrs. A. H. BISHOP, R. R. 1.

SEEDING IS GENERAL
IN LOBO TOWNSHIP

Seed Barley is Reported As Being Somewhat Scarce This Season.

ILLDERTON, April 6.—Seeding is general through this district, and with the mild weather excellent progress is being made. Seed oats of good quality is plentiful, but seed barley is somewhat scarce, and is selling at from \$1 to \$1.10 per bushel. Seed oats at a sale near Lobo brought only 60 cents, the lowest quotation in some time in this section.

The mass meeting of the ratepayers of Lobo Township held in the town hall to discuss the question of building a continuation school was largely attended. After lengthy discussion a committee was appointed to secure plans and report at a meeting to be held in a month. John McGugan presided. The box social held under the auspices of the Bear Creek Community Club, S. S. No. 7, was a great success. The schoolroom was packed to capacity, and numerous encores were insisted on. The selections of the Vaneck Orchestra were well received, and the Vaneck Male Quartet received many encours. The chorus of the Lobo Continuation School girls, composed of nine

pupils, all wearing the school colors, made a great hit, and the singers were roundly applauded. Another hit was scored by the dialogue put on by S. S. No. 7, and it proved very amusing. Solos by Clarence Telfer and recitations by Mas Isabel Fraser, Mrs. (Rev.) Campbell and Master Charlton Sinker were well received. The club intends holding bi-monthly meetings.

An unusually large vote is expected in this district in connection with the referendum. Lobo Township is fully organized, and the voters' lists have been gone over carefully to see that all names are on. The women are taking keen interest in the campaign, and a big majority for the "dry" is expected.

WELCOMED GRAND MASTER.

TILSONBURG, April 5.—More than 250 Odd Fellows from all over the district gathered last evening in the rooms of Odd Lodge, No. 50, to welcome Grand Master H. G. Robertson on the occasion of his official visit. During the evening the degree team of Hayden Lodge of Norwich conferred the first degree in a manner which won general commendation. At the conclusion of the regular business a banquet was held, and the members enjoyed a splendid spread, served by the ladies of Myrtle Rebekah Lodge. A number of fraternal addresses were listened to with much pleasure.

Government Control
OR
Prohibition
Which Does Ontario Prefer?

The issue in the coming Referendum is a clean-cut one between total prohibition and Government Control. To make an honest decision in favor of one or the other, every man and woman in the Province should consider the effects of both.

Look on This Picture

Today the Ontario Temperance Act is being openly defied, and crime and criminals are being bred wholesale. As long as there is a demand for liquor there will be a supply, and an attempt to enforce total prohibition is merely playing into the hands of the bootleggers, who would reap a richer harvest than before. Ten illicit stills would spring up in the place of every one existing at present, the drug habit would increase amazingly and the general result would be a lowering of the standard of morality throughout the Province, an ever-growing contempt for a law which is bound to be violated, and an increasing feeling of distrust and unrest. This is not romancing, it is a picture painted from life in such countries and communities as have already adopted—and regretted—so called total prohibition.

And on This

As an alternative the Citizen's Liberty League, which stands for moderation in all things, urges the people of Ontario to make possible the enactment of a sane, safe and practicable Temperance measure under which the Government would control the sale of every bottle of liquor.

Government control respects the sanctity of the home; it replaces the bootlegger, the illicit manufacturer and the drug peddler by a responsible body of men answerable to the people; it assumes that you are a respectable citizen until you prove yourself otherwise; it places no stigma on the law-abiding man or woman of decent habits. There will be no more liquor in the Country under Government Control than under Prohibition and what there is will be pure.

The bar will remain abolished under Government Control—which has proved its efficacy as the enemy of drunkenness and the champion of True Temperance.

Vote "NO" in the coming Referendum and sign the Ontario Temperance Memorial for Government Control.

Your Pay
Envelope

HOW about it? Are you able to keep up to your prescribed task? Is the boss watching your time sheet? Has he reason to think you are slipping back?

The efforts put forth to keep up to the new scale of work in conjunction with "high pressure" mode of life these days soon tell on the strongest system, shatters the nerves and weakens the heart.

Thousands are finding life a burden and others an early grave. The strain on the system causes palpitation of the heart, nervous prostration, sleeplessness, faint and dizzy spells.

Milburn's Heart and Nerve Pills have helped hundreds just in such a condition by making rich new blood, strengthening and regulating the heart, renewing the nerve centres and infusing new life and energy into the system.

This remedy builds up and maintains a healthy, vigorous constitution, according to the testimony of hundreds who have used them.

Mr. Alfred Arsenault, Lot No. 6, P.E.I., writes:—"I was very nervous and run-down, and was so bad I could not sleep at night. I used two boxes of Milburn's Heart and Nerve Pills, and I was relieved. That was one year ago, and I have been well ever since."

Milburn's Heart and Nerve Pills are 50c. a box at all dealers, or mailed direct on receipt of price by

The T. Milburn Company, Limited
Toronto, Ontario
