## The Report of Juvenile Fashions

Comprises a

Chromo-Lithographic Plate.

(Size, 19 x 24 inches.)

Issued Semi-Annually on the first of February and August, with a Book containing descriptions of all the Latest Styles of Juvenile Clothing.

**T**HE "Report of Juvenile Fashions" is a necessary adjunct to every well-appointed Dressmaking, Tailoring and Children's Outfitting Establishment. If you are a Dress-maker and have frequent or occasional calls for styles for misses or little folks, this report meets your needs for a handsome Plate of Garments developed in suitable colors and combinations of shades. Illustrating, as it does, a nice assortment of Boys' as well as Girls' Styles in each issue, it is also of much service to the practical tailor, in these days when modes for boys are given equal attention with those for their elders. To children's outfitters and clothiers generally the publication is invaluable, inasmuch as it gives them an intelligent idea of young people's clothing sufficiently far in advance of their time of sale each season to give the manufacturer an opportunity to make up his goods beforehand, with full confidence that his productions will be acceptable to the buying public. To the Home Dressmaker, with a family of boys and girls to provide for, this Plate is as handy for consultation as a thimble is for use.
