

be circulated. Not having to my recollection met
with any charge for the printing of these notices, & not
having received any report from you, as to the effect of
the measure, I desire to call your attention to the sub-
ject, requesting your report thereon.

Your letter of the 13th of this month
relative to the complaints of the Mississaugas against in-
truders on their hunting grounds from the Lower Pro-
vince, will meet with due attention.

I have the honor to be

Yours

Your Most Obedient
Humble Servant

the Dept.

P.S. With reference to your second letter of the 13th
March, I beg to say there does not appear to have been
any error in the brochure for the post of York, but in
the abstract only which has been corrected.
