made to meet it, would appear to be in order. Sweden has turned out a great deal of anti-aircraft material in recent years. Might not an order placed there ^{have} result^{ed} in quicker delivery?

(d) Proposal for gun factory to be built in Canada to provide guns for the "Mobile Force". This is an important matter that should be carefully considered. Is this a Force to supplement coastal defence in Canada, or is it an Expeditionary Force? What types of guns are under consideration? Is it assumed that Canada needs 100 guns per annum? To what extent could steel or parts be obtained from the United States? Is it contemplated to produce guns for other countries?

(e) Increase of Permanent Force from 4200 to 7000.
For what purpose?

(f) Renting accommodation for troops called out.
(through Defence Purchasing Board[?]).
