

The meeting resumed its session at 2.30 p.m. Present were: The Chairman, the Vice-Chairman, Rev. Father Vachon, Mrs McClung, Messrs Bovey, Nathanson, Godfrey and Plaunt.

Dr. Frigon was received. After some minor discussion, Dr. Frigon was asked whether he would be prepared to accept the post of Assistant General Manager, if invited to do so by the Board. Dr. Frigon indicated his willingness to accept such an invitation.

The Chairman was then authorized to communicate the unanimous decision of the Board with respect to the appointment of the General Manager and Assistant General Manager to the Governor-in-Council forthwith. He was also authorized to prepare a statement for the press.

Messrs Charlesworth and Steele were received.

General discussion, a number of the members asking either Mr. Charlesworth or Col. Steele questions on certain aspects of the work of the Commission. With regard to the wavelength agreement with the United States, Col. Steele said he considered the arrangement adequate, but that the Commission had not had sufficient finances to utilize fully the clear channels made available by this arrangement. He said that the Commission had a plan calling for a certain number of high power key stations, but that it simply didn't have the money to implement this plan.

Some further general discussion, after which the Meeting concluded, November 2nd being set as the date of the next meeting.
