

# QUATSINO

## Advantages of Quatsino City

The Quatsino Land and Improvement Company, Limited, having acquired the peninsular containing about 500 acres on Quatsino Sound,

### ADMIRABLY ADAPTED FOR A TOWNSITE

(and recommended by eminent Railway Engineers as a Railway Terminal for Trans-Pacific Trade) having over

### FOUR MILES OF WATER FRONTAGE

with a first-class harbor,

### Suitable for the Largest Pacific Liners,

the land slopes gradually all round towards the water, making the matter of sewerage exceptionally easy. We may say that this site is acknowledged by ALL to be

### The Only Available Location for a City

of any size or importance, as the shores surrounding Quatsino Sound are of a very mountainous character. The Company have laid out (on the most modern system) one hundred and five acres in city lots, size 50x100 ft., to 15 ft. alleys, streets 60 and 100 ft. wide ; they also intend having a

### Wharf Erected in the Near Future

and are negotiating for the establishing of a general store and post office. A comfortable hotel is also contemplated this season. Quatsino Sound's mineral resources are attracting the attention of

### Mining Capitalists

from all over the United States and Canada, as it is an established fact that the

### Copper Ores of this Locality Cannot Be Excelled

anywhere on the Globe. The following letter from the Secretary of the Yreka Copper Co. will give some idea of the local development :
