The Weekly Mail and Empire during the summer months will unquestionably be the greatest weekly publication which enters Canadian homes. It at present contains a greater number of columns of reading matter than any other Canadian weekly. All the news published in it is carefully selected to meet the varied tastes of the readers.

The General News Section will contain the fullest and most complete information of the events transpiring in all parts of the world. Particular attention will be given to cable and provincial news.

The Agricultural Section will be replete with information for the general advancement of agricultural science. Contributors to this section will be eminent in this important industry.

The Magazine Section will also be a mine of information upon subjects which are at present attracting public attention. Many of the articles will be brightened by illustrations.

Altogether the 24 pages, which comprise the Weekly Mail and Empire, are a library in themselves, and all for the sum of One Dollar a year.
