LUMP IN UDDER

It is not much wonder that Mr. Allan Schliedel, of New Hamburg, Ont., is a stanch friend of Douglas' Egyptina Lini-ment. Here is what he writes about its work for him:

work for him:

"I have now used Douglas' Egyptian
Sniment for 2 years, and find it gives the
best of seatisfaction for man and beast.

I tried the liminent or 4 cowa during the
winter for lump in udder, and a sample
bottle cured cach case in 8 hours I also
found it good for Muscular Rheumatism
and for Lumbago.

Tit's a great thing to always have on hand a bottle of Douglas' Egyptian Liniment. It stops bleeding at once, prevents blood poisoning, and removes all inflammation, soreness and swelling in man or besat."
