MILLER BROS. & TOMS MONTREAL

DAUPHIN, MAN. — By-laws to raise \$25,000 for installing an electric light plant and \$10,000 for completing the town hall will be voted on April 18th.

VICTORIA, B.C. — Notice has been given of cement pavement to be constructed on several streets. — It is reported that the plans for the superstructure of the C. P. R. Hotel on James Bay will be changed and pressed brick used instead of stone.

WESTMOUNT, QUE. — Ross & Holgate, of Montreal, have been engaged to design the electric light plant to be installed by the municipality. — A by-law will be introduced at the next meeting of Council to raise \$750,000 for the establishment of municipal water system.

PARRY SOUND, ONT. — E. E. Armstrong, Town Clerk, wants bids by 25th inst. for construction of 55,000 square feet of granolithic sidewalk. — The Electric Light Committee will ask the Town Council to issue \$15,000 of debentures for improvements to the electric light plant.

BRANTFORD, ONT. — John Milton has had plans prepared for alterations and improvements to the Prince of Wales Hotel. — The Toronto, Hamilton & Buffalo Railway are acquiring additional property with a view to enlarging their yards and freight accommodation.

GLENORA, ONT. — K. L. Aiken, E. E., of Toronto, has been retained by H. C. Kennedy, of Warton, and other cap-

italists to report upon the utilization of the water power of the famous Lake-of-the-Mountains at this point for the generation of electric energy. The available head is 180 feet and it is proposed to transmit power to towns within a radius of 15 or 20 miles.

BROCKVILLE, ONT. — The St. Lawrence Engine Co. has been organized by W. H. Comstock, R. H. Smart and others. A factory will be built on the river front. — C. Harris, engineer in charge of surveys for the extension of the Brockville, Westport and Northern Railway, states that a preliminary line has been surveyed between Westport and French River, about 250 miles. — W. H. Osborne, Chairman Board of Works, desires tenders by 20th inst. for supply of Portland cement, lumber, and cut steel wire spikes.

ST. JOHN, N.B. — The Y. M. C. A. building fund is now over \$57,000, and as soon as \$3,000 more is obtained the new building will be proceeded with. Frank White and George E. Barbour are members of the committee. — Plans have been prepared for remodelling the Alliance and Bostwick buildings, corner Prince William street and Market Square, which have been acquired by the Canada Permanent Loan & Mortgage Corporation.

LONDON, ONT. — It is rumored that Toronto capitalists intend building a \$250,000 hotel here. — The City Council will apply to the Legislature for permission to issue \$10,000 of debentures

for erection of fire halls without taking a vote of the ratepayers. — It is learned that the proposed abattoir company have bonded property 681 x 169 feet, lying between Bridges street and the old main line of the G. T. R., near the city limits, where they propose establishing their plant. — McGaw & Winnett propose making extensive improvements to the Tecumseh House at a cost of upwards of \$40,000. A new electric elevator will be installed, also tile floors, grill room, roof garden, etc.

PETERBORO, ONT. — The congregation of St. Johns church have not yet agreed upon a site for new rectory. — Mrs. A. R. Campbell intends building a residence on Stewart street. — Major William Langford is building a brick residence on Water street. — Steps may be taken in the near future to build a new church for St. Andrews' Presbyterian congregation, of which Rev. J. A. Wilson is pastor. — The time for receiving tenders for new building for Peterboro Lock Manufacturing Co. has been extended to 15th inst. — John Corkery, Secretary Separate School Board, is asking for tenders by 18th inst. for erection of
