The Cedar and the Storm

A BARN IS AS GOOD AS ITS ROOF

Watch the cedar in the storm—its toughness and resiliency resist all shocks.

Nature's products can best withstand nature's forces. The roof of your home and barn have to stand all the stress of the storm. They call for a covering that will stay down, that can defy wind and water and the disintegrating forces of time.

All these qualities, and more, are to be found in

BEAVER BRAND WHITE CEDAR SHINGLES

Beaver Brand Shingles are made from the best of the New Brunswick White Cedar. They hold down their job. They need no paint, are easily laid, and the very occasional repairs are simple, the only tool required being a hammer.

Important Dealer Service

When you buy an engine from your dealer you deal with a local representative of the manufacturer. He shares their responsibility. He stands behind the engine he sells. He's responsible to you. He's at your service to see that you are satisfied, and he's as near you as your telephone any time you want him.
