**STOCK GOSSIP !**

The Southdown Sheep Breeders' Association, of England, having donated a sufficient number of volumes I, II, and III, of their Southdown Flock Book to the American Southdown Breeders' Association, to be offered as special premiums at the leading fairs in the United States and Canada for 1894, the following offerings of special premiums will be made at the Ontario Provincial Fat Stock Show :-

1. For sweepstakes Ram, the first three volumes of the Southdown Flock Book of England.

2. For sweepstakes Ewe, same premium will be offered. These premiums are offered on conditions :-  
1. That these premiums will be paid to the owners of ram or of ewe that is awarded the sweepstakes premium, provided that said owner has not already won a set of those volumes, in which case the premium will be paid to the owner of the animal next in order of merit who has not won the premium; also providing that the same animal will not be entitled to two awards, and that these conditions extend to and include all fairs at which these premiums are offered.

3. That the animals competing for said premiums shall be recorded in the American Southdown Record as owned by the exhibitor prior to date of entry for the exhibition, and that the party making the entry furnish the Secretary of the American Southdown Breeders' Association at the time of entry a copy of same.

4. That the premiums will be paid by the Secretary of the American Southdown Breeders' Association on the presentation of certificates from the proper officers of the Fair.

5. That these offerings and conditions be printed in the premium lists of the fairs in connection with the classification of sheep, or to the publication of this announcement elsewhere in the premium list.  
Messrs. McDuffee & Butters, proprietors of the well known Sunnyside Stock Farm, Stanstead, Que., and Derby Line, Vt., writes us as follows :- "Thinking that perhaps you might like to hear from us in regard to the high esteem in which we hold the columns of your valuable paper as an advertising medium, we take pleasure in bringing to your notice some of our numerous sales during the past few months, many of which we attribute to our advertisements in your paper. Since our wonderful success at all the leading exhibitions last fall, at which we took over \$2 per cent. of all prizes for which we competed, we have made many sales, among which we will mention the following choice bred animals :- To James Flynn, Huntingdon, Que., the bull calf sired by our Dominion sweepstakes bull, Artie Peer, H. F. H. 9048, dam Porcelain of Pine Grove 12320, H. F. H. R. (imported.) This calf was first prize winner at Stanstead, Montreal, London and Ottawa, and second at Toronto. To Cook, Sutton, Que., bull calf sired by Artie Peer 9048, H. F. H. R., dam Lizzie of Pine Grove, H. F. H. R. 12318, a four-year-old record of 84 lbs. of milk in one day, 12318, in thirty days. This cow is the dam of Prince of Artie, Smith & Powell's great show bull. To D. H. Brown, Kelso, Que., bull calf sired by Artie Peer 9048, H. F. H. R., dam the imported cow Fiddle of Pine Grove 12324. To W. Chamberlain, Fairfax, Que., bull calf sired by Artie Peer, H. F. H. R. 9048, dam the celebrated butter cow Tryphie of Pine Grove 12322. To Gilbert Kerwin, Megantic, Que., the yearling bull sired by the imported Artie Peer of Pine Grove, H. F. H. R. 9048, dam Ketherland Star 2263. Our stock are doing splendidly, and if everything turns out as well as we anticipate, we shall be able to make a stronger representation of the breed, both as regards quantity and quality, than we did last year, and up to date we have already had ten calves dropped, many of them from our best cows, so that, as you see, we are prepared to supply anything in our line from a bull calf up to a complete herd."

**QUELPH FAT STOCK CLUB.**

The annual meeting of the Quelph Fat Stock Club was held in the Council Chamber on Wednesday afternoon. There was a good attendance. Among those present were - James Miller, president, in the chair, John Corkindale, secretary; Warden Hobson, G. Taylor, W. Laidlaw, A. Fyfe, T. Bolton, W. Laidlaw, R. Buchanan, G. Whitlaw, J. Kirby, Jas. Anderson, J. Hale, John Taylor, R. G. Strachan, W. R. Elliott, H. Wright, D. Irving, L. O. Barber, A. Porter, Wm. Hearn, J. Cowan and others.  
Mr. John McCorkindale, secretary, read the directors' annual report, in which he congratulated the members of the Club upon the great success of the Christmas Show, and said :- "You are aware that the show was held on the same basis as last year, under the auspices of the Agricultural and Arts Association, the Sheep Breeders' and Swine Breeders' Associations; and with the united efforts of these Associations it could not but be a success. The display of cattle was much larger than usual, with the quality fully up to the mark of excellence. The number of sheep and swine shown was double that in former years, and we believe it to have been the best exhibit seen on the Continent. The swine which had been awarded first prizes at the World's Fair were compelled to take second places here. The poultry display was also away ahead of any show of previous years, both as regards quantity and quality, and we understand that all were sold at remunerative prices."

The officers elected are as follows :- President, James Miller, First Vice-President, H. Wright, Second Vice-President, John I. Hobson, Secretary-Treasurer, John McCorkindale, Directors - Jas. Anderson, J. W. Tyson, A. Hale, Jas. Taylor, George Taylor, L. O. Barber, Wm. Hearn, W. Laidlaw, Dr. Mills (O. A. C.), W. Laidlaw, R. G. Strachan, D. Irving, Thomas Bolton, Auditors - James Laidlaw, Jr., and James Wright. Collectors - The first and second vice-presidents, Messrs. Wm. Hearn, J. W. Tyson, L. O. Barber, R. G. Strachan and J. Anderson were appointed collectors for the city and county.

PRESENTATION TO MR. MILLER.  
After the regular business, which was of a routine nature, had been transacted, Mr. James Anderson, on behalf of the directors presented Mr. Miller, President, with a handsome gold-headed cane. In doing so, Mr. Anderson said that he had much pleasure in the name of the directors of the Quelph Fat Stock Club in presenting Mr. Miller with a gold-headed ebony cane, as a mark of respect and esteem for his untiring efforts in promoting the success of the Club during the three years which he had held the office of President. In concluding he said :- "May you long be spared to us, and when you are unable to do so may it be handed down to future generations, as a memento of the regard in which you were held by your brother directors." Mr. Miller, in a few fitting and well chosen words, thanked the directors for the honor which they had conferred upon him, and hoped that the Club would still prosper in the future as it had in the past.

**BURNSIDE STOCK FARM.**

It is seldom that there is to be seen as large a number of choice animals in any one herd as is to be found in the Burnside herd of Ayrshires, the property of Mr. R. Robertson, Howick, Que. A much larger number of prize-winning Ayrshires at the Chicago Exhibition were actually the property of Mr. Robertson than he received credit for in the official catalogue. Owing to the fact that the Quebec Government were responsible for a large share of the expense, and the number of animals which could be shown by each exhibitor being limited, the majority of the exhibitors agreed among themselves to either buy or sell animals in order to make up herds of the best animals, provided, of course, that the owners would agree to resell after their return from Chicago. Mr. Robertson's animals secured the following prizes: Aged cow, 4th prize, another was placed in the same class; 1st on three-year-old and 4th on two-year-old; one-year-old placed; heifer calf 1st; bull calf second; bull over one year placed; two animals from one dam, 1st and 4th; four animals from one sire, 2nd, and a number of the animals in the first-prize herd were his. He also bred the bull which headed the second prize herd, the cow which came 4th in sweepstakes for cow any age, and was the owner of the dam of the bull which took sweepstakes and gold medal as best bull of any age. Although the best of his cattle were in Chicago, Mr. Robertson exhibited at the Sherbrooke Provincial Exhibition, St. John and Chateauguay Co., where he obtained 21 first prizes, 3 diplomas and 7 herd prizes, 5 seconds, one herd prize, and four thirds and a fourth. We arrived at the farm just as the cows were being milked and had the milk of several weighed, which ran from 22 to 24 pounds. Sarah Burnside, a sister of the pair which took first as the produce of one cow, though it was eleven months since she had calved, gave 17 pounds. Nancy, the dam of the sweepstakes bull, had been milking within a few days of twelve months, gave 15 pounds. The ration fed to the cows is composed as follows: 40 lbs. ensilage, 6 or 8 lbs. clover hay, 3 lbs. straw, 4 lbs. of peas, oats and barley mixed with the same weight of bran and one pound of cottonseed meal. About 60 gallons of milk is shipped daily to Montreal, which realizes 19 cts. per gallon in summer and 15 cts. in winter. Mr. Robertson has been appointed manager of the model farm which is being established by the Quebec government at Compton, P. Q. The stock will, however, still have the same careful management as heretofore, as he has taken into partnership his cousin, Mr. Robt. New, Jr., who has had considerable experience with fine stock and who will have full charge. The business will in the future be conducted under the firm name of Robertson & New.
