### GOSSIP.

Mr. H. M. Vanderlip, Cainsville, Ont., writes: "In your 'Gossip' items of Jan. 25th, you have me quoted as having added two imported Yorkshires to my stock of hogs. I think you will find the original reads Berkshires, as I am breeding Berkshires exclusively. Kindly correct."

In the "Gossip" notice of the fine Ayrshire herd of Messrs. Alex. Hume & Co., in our issue of Jan. 25th, page 150, the daily-milking record of his cows was given at 40 to 65 lbs. It should read from 40 to 56 lbs, which is big work for dairy cows of any breed, but Mr. Hume is a straight breeder, and has no desire to overstate the case. The prizewinning record of his herd at leading shows in Canada has been an exceedingly creditable one, and the sires at the head of the herd rank with the best in America.

In the stock "Gossip" notes in "The Farmer's Advocate," for Jan. 18th, page 99, of the choice Shorthorn herd of Mr. W. J. Isaac, of Harwood, Ont., his address was, by mistake, given as Norwood. The same error occurred in his advertisement. Harwood is a few miles north of Cobourg, G. T. R. Mr. Isaac has an excellent herd of Scotch-bred cattle, mostly imported, and at the head is the red four-year-old Cruickshank bull, Nonpareil Duke (imp.) =45203=, by Golden Fame (76786), by the Duthie-bred Golden Fame. As his daughters are now of breeding age, this grandly bred bull is for sale, and should find a place at the head of some other good herd. There are also two richly-bred young bulls by him for sale, besides heifers and a few imported cows. Mr. Isaac handles only choice cattle, and sells at living prices.

### MACDONALD COLLEGE AYRSHIRES.

As the readers of "The Farmer's Advocate" are, no doubt, aware, the noted herd of imported and Canadian-bred Ayrshires, lately the property of Mr. Reford, has been purchased by Sir Wm. Macdonald, together with the farm, and Treddinock Farm is now known as Macdonald College Farm, of Ste. Anne de Bellevue, Quebec. This noted herd is one of the best on the continent. Having been in the past exhibited at all the leading exhibitions of Canada, and many of the leading exhibitions of the United States, their show record is a brilliant one, and it is much to be regretted that it is doubtful if they will ever again be seen in the show-ring, as Prof. Robertson, Director of the Farm and College, informed us they will be kept entirely for college purposes. At present there are about 100 head on the farm, a great many of which are imported from the leading herds of Scotland. They are an exceptionally large lot, many of them weighing 1,400 lbs., and they are producers of very high order, as the following, taken from the Monthly Record of Production, will show: Lady Sterling, in September, gave 1,470 lbs. of milk; Mary Osborne, 1,309 lbs.; Miss Sterling of Ste. Annes, 1,280 lbs.; Betsy of Fairview Mains, 1,800 lbs.; Belle 1st of Ste. Annes, 1,428 lbs.; Blue Belle of Ste. Annes, 1,274 lbs., and Pearl, 1,194 lbs. in October. These are only a few of the many equally as good. One of the stock bulls is Spicy Robin, by Sterling Boy of Ste. Annes, a son of Imp. Napoleon of Auchenbrain, dam Lady Sterling, by Imp. Silver King. The other is Imp. Davy of Fairview Mains. In young bulls on hand, for sale, are eight yearlings and eleven calves from four to six months of age, ten of the lot being out of imported dams, and sired by Spicy Robin and Imp. Fizzaway, a bull that won the championship at Toronto, London and Ottawa, and last year at the leading State fairs won the championship wherever shown. These young bulls are an exceptionally choice lot, and anyone wanting a herd header should look after them soon. Lately a herd header was sold from this herd to the Experimental Farm, at Ottawa, and another to the Agricultural College, at Guelph. The whole herd, under the master hand of Mr. James Boden, the Farm Superintendent, are in grand shape, and present a picture to the admiring eye not soon forgotten. The P. O. address is Ste. Anne de Bellevue, and the station Ste. Anne, G. T. R. and C. P. R., 20 miles west of Montreal.

## BLOOD HUMORS

**PIMPLES** Many an otherwise beautiful and attractive face is sadly marred by unseemly blotches, eruptions, fleshworms and humors, and various other blood diseases.

**BLOTCHES** Their presence is a source of embarrassment to those afflicted, as well as pain and regret to their friends.

**ERUPTIONS** Many a cheek and brow—cast in the mould of grace and beauty—have been sadly defaced, their attractiveness lost, and their possessor rendered unhappy for years.

**FLESHWORMS** Why, then, consent to rest under this cloud of embarrassment? There is an effectual remedy for all these defects, it is,

## BURDOCK BLOOD BITTERS

This remedy will drive out all the impurities from the blood and leave the complexion healthy and clear.

Miss Annie Tobin, Madoc, Ont., writes: "I take great pleasure in recommending your Burdock Blood Bitters to any one who may be troubled with pimples on the face. I paid out money to doctors, but could not get cured, and was almost discouraged, and despaired of ever getting rid of them. I thought I would give B.B.B. a trial, so got two bottles, and before I had taken them I was completely cured and have had no sign of pimples since."

Burdock Blood Bitters has been manufactured by The T. Milburn Co., Limited, for over 30 years, and has cured thousands in that time. Do not accept a substitute which unscrupulous dealers say is "just as good." "It can't be."
