Dugald Ross, of Streetsville, Ont., announces in an advertisement in this paper an auction sale of 40 imported Clydesdale mares and fillies, to take place at the Repository, Toronto, on November 15th. These were personally selected by Mr. Ross for size, type and quality, are the get of notable Scottish sires, and many of them are supposed to be in foal to first-class stallions. MAPLE SHADE SHORTHORNS AND SHROPSHIRE.

Established nearly half a century ago, the Maple Shade herd, the property of Hon. John Dryden & Son, Brooklin, Ont., have a world-wide reputation of excellence. During all these years, whenever necessary, fresh blood has been imported in both the Shorthorn herd and Shropshire flock to keep them up to the highest standard, both in point of breeding and excellence of type, and their success in the leading show-rings of Canada, and, particularly, at the International Show, Chicago, is proof that they are second to none, and certain it is that no herd in Canada finds a more ready sale for its surplus stock than Maple Shade. Just now there are about 80 head of Shorthorns in the herd, presenting a wonderful uniformity of type, characterized by thick, straight, smooth bodies, on low, strong legs, and all in nice condition, some of which are imported, the get of such noted bulls as Luxury, Bapton Chancellor (imp.), Revenue, Scottish Prince (imp.), Collynie Archer (imp.), William Rufus (imp.), and the present main stock bull, Prince Gloster 40998, sired by Victoria's Prince of Maine Valley 122822, a Cruickshank Victoria, dam Duchess of Gloster 32nd, by the Gladiolus-bred bull, Gowrie, grandam by the Nonpareil-bred bull, Imp. Norman Knight. Although now in his seven-year-old form, he still retains his youthful appearance and vigor to a wonderful degree. In his younger years, he was a show bull of a high order, and won high honors at Toronto, being only beaten by the invincible Spicy Marquis, while as a sire he has few competitors, his get showing a marvellous uniformity of the low-down, thick type. His lieutenant in service is Imp. Scottish Prince, bred by John Marr, sired by the Rosewood bull, Luxury, now at the head of King Edward's herd, dam Rosemary 202nd, by the Princess Royal-bred bull, Prince Horace, a son of the great William of Orange. He is a roan two-year-old of the thick, sappy sort, and is proving a capital sire. Among the young bulls for sale is Gloster Duke 63026, a red yearling, by Prince Gloster, dam Victoria Duchess, by Collynie Archer (imp.), Lavender Earl 63186, another red yearling, by Prince Gloster, dam Miss Lavender, by Earl of March, is a straight-bred Lavender and a show bull. Commissioner 63994, a seven-months-old red, by Prince Gloster, dam Rosebud 3rd (imp.), by Luxury, is an extra nice, thick calf. Baronet 63432, by Scottish Prince (imp.), dam Baroness, by Collynie Archer (imp.), is a ten-months-old red of the Lady Eden strain, a thick, smooth, sappy young bull. Bertie's Pride 63382 is another ten-months-old red, by Prince Gloster, dam Bertie 3rd. Another Lady Eden, by Collynie Archer (imp.), an extra good calf, is Butterscotch 63993, a red nine-months-old, by Imp. Scottish Prince, dam Beatrice, by Prince Gloster, a big, soggy youngster of the Lady Eden strain. Golden Seal 63297, a red yearling, by Prince Gloster, dam Golden Star, by Revenue, is a Brawith Bud bull that won 3rd at Toronto this fall. Double Gloster 63023, red yearling, by Prince Gloster, dam Duchess of Gloster 101st, by Bapton Chancellor (imp.), is another nice, smooth, thick fellow. Gallant Prince 63216 is a red yearling, by Prince Gloster, dam Lavinia's Model, by Lord Klondyke. All these are for sale, and make an exceedingly choice offering, besides which are a number of yearling heifers bred along the same lines, a choice lot. At present there are about 100 head of Shropshires on hand, mostly imported, the rest bred from imported stock, a strictly high-class flock. For sale are about 30 shearing ewes and a few imported rams. The farm is connected by long-distance 'phone, and by telegraph.
