IRELAND. London, Dec. 5.—There was a Home Rule demonstration at Belfast last evening. Among those present were O'Donnell and Kenny, members of Parliament. A resolution was passed condemning the Government for the determination to prosecute Davitt and Healy, and congratulating these true patriots on the refusal to enter into terms for their arrest. Healy declared if the Government imprisoned Davitt and Healy it must face the task of arresting the whole of the Irish Parliamentary party.

DUBLIN, Dec. 5.—Redmond, M. P., denies that his brother William's departure for France was to avoid prosecution. He says he remained in Cork five days, after making his speech. He had been imperatively ordered to Nice for the benefit of his health, and only heard that his prosecution was contemplated when in Paris. By advice of all his faithful friends he will remain in warm climate until his health is restored, and then return to Ireland to meet the action against him.

THE PROCEEDINGS AGAINST DAVITT, HEALY AND QUINN have been adjourned ten days to enable the defendants to meet the charges. London, Dec. 7.—Interest is centered in the prosecution of Healy and Davitt, and the trials before the Green Street Commission, which is presided over by Judge O'Brien, who long discharged the functions of Crown prosecutor there. He opened the Commission and his judicial career by giving a gloomy picture of the state of affairs in Dublin.

DAVITT INTENDS TO SUBPENA Gladstone and Trevelyan to depose at his trial regarding the influence of agitation in Ireland on the passage of the Land Bill. CANADIAN. St. John's, N. F., Dec. 4.—The steamer Littlehale, from New Orleans for Royal, with cotton, ran ashore this morning in a fog and will probably become a total wreck. Crew saved.

A MAN NAMED Eastman met his death at Tibsonburg last Thursday by the diving in a well. Despite all efforts the unfortunate man remained in his precarious position, waist deep, with the land falling continually until 11 a. m. Saturday, twenty-four hours after the accident, when death relieved him.

REV. FATHER MURPHY has gone to Prince Edward Island at the request of the new Archbishop of Halifax, Rev. Dr. O'Brien, and while there arrangements for consecration will be made. A Grand Truck accident named Gibson had one of his hands badly crushed while coupling cars at Woodstock Monday morning.

RENEWED, Dec. 4.—On Saturday Wm. McGibney had his feet caught in a frog and two wheels passed over his right leg and arm, mangle him so that death took place two hours after. The coroner did not deem an inquiry necessary.

BEETON, Dec. 7.—Michael Ellard and Jas. King were frozen to death near here this morning. MONTREAL, Dec. 9.—A private cablegram from London announces the death of Sir Hugh Allan there.

LOCAL NEWS.

MR. E. J. PARKE, barrister, has been appointed Police Magistrate for this city. About ten o'clock on Thursday night a fire broke out in the stables adjoining Labatt's Brewery. The building was completely destroyed, together with four valuable horses, a cow and a large amount of hay.

A TEAMSTER named Silas R. Boss, was assisting in loading a wagon in the gravel pit at the foot of Adelaide street on Thursday day last, when the embankment fell without the highest warning, and buried the unfortunate man under its weight. He died soon after being taken out.

AT A WELL ATTENDED meeting of the Irish Benevolent Society, on Friday evening, the following members were appointed to superintend the collection and distribution of Christmas relief: Messrs J. M. Keary, John Smith, M. D. Fraser, H. D. Long, S. Grant, C. A. Sippi, A. Thompson, Ald. Taylor, J. M. O'Mara, B. Cronyn, J. H. Smallman, J. K. Labatt, Thos. Phalen, P. F. Boyle, J. J. Blake, D. Regan, J. J. Gibbons and B. C. McCann.

THE MEN WHO SUCCEED.

THE GREAT difference among men of all callings is energy of character or the want of it. Given the same amount of learning and integrity, and some opportunities and energies will make one a conqueror. The want of it will see the other a failure. Dead beats are men without force. They had as good a chance as any of their competitors. Others went ahead and carried off the prizes, while they were lying by the wayside dependent. It takes nerve, vim, perseverance, patient continuance in well doing to win a prize. And the young man who goes into a profession without this push, stamina, vigor, courage, resolution, will determination—in one word, energy, to qualify a man for usefulness.—Church.

BRANTFORD LETTER.

AT THE regular monthly meeting for December of the Roman Catholic Separate School Board the following resolution was unanimously adopted: "Whereas, it has pleased Almighty God to afflict the Diocese of Hamilton by calling to Himself its chief pastor, the late revered and lamented Bishop Cronin. And whereas, his death has fallen as a sudden, unexpected and dreadful calamity on the Diocese at large and on this parish in particular, be it while howling to the will of God we express our deep sorrow and sincere sympathy to our fellow Catholics in their sad bereavement; and be it Resolved, that a copy of this resolution be sent for publication to the city papers, the London Record, Toronto Tribune, and Irish Canadian.

SCHOOL MATTERS. Some changes have been made recently in the school surroundings which prove of benefit from a sanitary point of view. The grounds, also have been somewhat enlarged. At the earliest possible moment there will be changes made in the interior, by moving some of the portable partitions, which will distribute the spaces for class rooms more advantageously.

THE TRUSTEES have resolved to change their method of supplying books at New Years. For the past few years the Board have furnished all requisites, making a small advance in the monthly cost. Through this method was of great advantage in many respects it was not entirely satisfactory, and a return to the old method has been decided upon.

THE RETIRING members of the Board at the end of this year are Messrs. Hawkins, the secretary, Savage, McEvoy, Joseph Quinlan and Whitley. One or two of these have expressed an intention not to offer for re-election. It is not certain as yet who will be the candidates, though about this season of the year a deep interest is usually manifested in the welfare of the school, so much so that one would never think it could be difficult to get a quorum together of a summer evening.

SODALITY RECEPTION. On Sunday afternoon eleven young ladies were received into the Sodality of the Blessed Virgin here. There was a very large attendance of members, and a large number of other members of the congregation witnessed the interesting ceremony. The postulants bore lighted candles, and as they entered the choir, the secretary asked that they be admitted, when the usual questions were asked and replied to and the candidates were admitted. Rev. J. F. Lennon, the director, then gave an address on the subject of the feast of the Immaculate Conception, which he explained in an affecting manner, dwelling upon the great privileges enjoyed by the Mother of God. He reminded the members of the special ties binding them to the Blessed Virgin, and of the special duties devolving upon them. After the reception in a body was closed, and the ceremony was closed with the benediction of the Blessed Sacrament. The Sodality here is in a very flourishing condition, and steadily increasing in numbers. Every month the members approach Holy Communion in a body wearing their ribbons and medals. Those familiar with similar societies elsewhere say that the Sodality of Brantford is second to none in the province.

OTHER MATTERS. Mr. Griffin is making good progress with his work on the interior of the church, and while things are not as pleasant looking on account of scaffolding and material, it is not as hard to heat up as formerly. The ladies are pushing on their arrangements to make the Christmas Tree a success. JOSIE'S THANKSGIVING. At the home of Mr. and Mrs. Miller, of No. 319 East Fifty-second street, New York, and as the birthday merrily far, the children were freshly furnished up with the addition of two cosy arm-chairs, a reporter inquired of Mrs. Miller how she had been able to make so many comfortable changes, to which she replied: "It is all due to my dear little daughter, Josie, who is a great pet and solace to me and her father, and although only 15 years of age, has worked very hard as a seamstress, earning but a modest pittance to help us pay the rent."

"I was afraid," interrupted Mr. Miller, and the hearer came to his eyes as he spoke, "that the darling would overwork herself, and I encouraged her to save a few dollars for a dark day. About the beginning of November I was surprised when she told me that she had sent a dollar by mail to M. A. Dauphin, New Orleans, La., with the expectation of making a large fortune. I did not approve of it at first, when she said she had done the same thing before, and had implicit faith in the Louisiana State Lottery Company. Imagine what an agreeable disappointment we received on the 14th of November last, when we were notified that ticket number 52,116, which she held, was entitled to one-fifth of the capital donation of \$75,000."

"Did Miss Josephine collect her share promptly?" queried the reporter. "Oh, yes indeed; Mr. Dauphin paid over to the express company \$15,000 to the order of Miss Josephine Miller, and she got the money last week."

"The little darling was so crazy with joy that I asked her to take a little vacation," and the old gentleman smiled, as he thanked the reporter for congratulating him upon his daughter's good fortune.—Philadelphia Record, December 6.

WE CANNOT love Jesus or merit His love in return if we show disrespect for His Virgin and Ever-Blessed Mother Mary. The Blessed Virgin is near and dear to the heart of her Divine Son. If we but love her, Jesus will love and shower His blessings upon us.
