

Manufacturers' Agents and Brokers' Directory

The Canadian market is over three thousand miles long and extends from the peach belt to the Arctic Ocean. Manufacturers and merchants can not hope to cover this market satisfactorily or get the best out of their Canadian opportunities without the assistance of local agents. The following firms in all parts of Canada are prepared to act as agents for good lines. THE "WANT" AD.

The "want ad." has grown from a little used force in business life into one of the great necessities of the present day.

Business men nowadays turn to the "want ad." as a matter of course for a hundred small services.

The "want ad." gets work for workers and workers for work.

It gets clerks for employers and finds employers for clerks. It brings together buyer and seller, and enables them to do business though they may be thousands of miles apart.

The "want ad." is the great force in the small affairs and incidents of daily life.
