

We Have Thousands of Pumps and Cylinders

Made up for sale, and the Farmers of Alberta and Saskatchewan need and must buy like articles.

We guarantee the quality and value in our line, and when you buy a Pump or Cylinder from our factory, you know you can obtain quickly any repair part wanted, if in ten years from now. Are you equally sure you can do the same with another line without sending to the States for it?

We can make shipments, too, the day your order is received.

That kind of service is worth something to you. We are going to do our part to help you obtain the Pumps you need.

Ask any reputable and responsible dealer to write us for information as to how you may purchase what you require in the pump line.

LOOK HERE, SIR!

If you can get a Suit valued at \$25.00 in Canada for \$12.50 from Catesbys in London---Will You Buy It?

We undertake to prove to you that you can—if you buy from us. You've heard that clothing is cheaper and better in London. You know, also, that you can't beat the quality of the genuine English fabrics. When, therefore, we guarantee to sell you a suit made of fine English cloth, cut in the best Canadian, New York or London style (as you prefer), laid down at your door, all duty and carriage charges prepaid, for a price about one-half of what you would have to pay in Canada, isn't that worth looking into? Of course, it is. Then sit right down now, fill out the above coupon, mail it to our Winnipeg office, and get our latest Style Book and patterns. With this book is a letter explaining our system of doing business and a self-measurement form which is so simple that you can't go wrong in using it. We'll also send testimonials from many satisfied Canadians who regularly buy from us.
