MERCHANTS' BANK OF CANADA.

The annual meeting of this Bank was held in Montreal, July 5th, Mr. Hugh Allan in the chair.

The following report of the Directors to the Shareholders of the Merchants' Bank of Canada, at the annual meeting, 5th July, 1869, was then read :

The statement of the affairs of the Bank now submitted are evidence that its progress during the year has been very satisfactory

In the face of the numerous bankruptcies that have occurred during the past year, it must not be supposed that this Bank could have escaped scatheless. So far from this being the case, it is a fact that the Bank sustained several not inconsiderable losses, but the Directors determined at at once, and without hesitation, to write off from the profits a sum that after the severest scrutiny satisfied not only themselves, but their principal officers, would meet and cover every probable shortcoming.

The Shareholders may therefore accept the assurance that so far as can be seen at present, the assets of the Bank are good value for what they represent.

Fair progress continues to be made in the realization of the assets received from the Commercial Bank. The apparent result of the arrangement of amalgamation continues to encourage belief that the original expectation will be realized.

The statements on the table show the present position of the Bank. The rest has attained the respectable figure of \$700,000, and there seems every prospect that it will continue to increase.

During the late sitting of the Legislature, several measures came before it materially affect ing the interests of the Banks.

The Directors regarding the continuance of the Act relating to Insolvency as a great and nearly unmixed evil, petitioned the Legislature for its total repeat. This was not acceeded to, and the act was amended, but not in the opinion of the Directors materially improved.

The Banking and Interest measures introduced had fortunately to be withdrawn, the latter being of such a retrogade character, as to excite surprise that in this age of financial knowledge, any party could be found to support it.

The Act of Incorporation establishes the Capital of the Bank at \$6,000,000-of this only \$4,000,000 has been offered for subscription or taken up.

The Directors now invite the Shareholders to subscribe the remaing \$2,000,000, and with this view a series of resolutions will be submitted for your approval.

Ir conformity with the Act of Incorporation, the following Directors retire at this meeting Messrs. Damase Mason, Andrew Allan, Adolphe Roy, and Hugh Fraser, all of whom are eligible for re-election.

The By-laws of the Bank have been remodelled and are now to be submitted for your consideration. All of which is respectfully submitted.

HUGH ALLAN, President.

Sylvester, Bro. & Hickman, COMMERCIAL Brokers and Vessel Agents. Office-No. 1 Ontario Chambers, [Corner Front and Church Sts., 2-6m
The President then moved, and it was carried unanimously, that the report just read be approved about two hundred shareholders.

The proposed By-Laws for the government of the Bank, were then read by the President, all of which were approved and adopted by the

SUBSCRIPTION 32 A YEAR.

A series of resolutions relating to the increase of the capital of the Bank were then submitted, all of which were approved and carried by the Shareholders.

Messrs. W. B. Cumming and George Templeton were requested to act as scrutineers to receive the votes of the Shareholders.
