Thrift, a Profitable Duty

It is not what you earn, but what you save that counts. And remember, too, that it is of

little use to pare down expenses if the money so saved is not put to work. As a personal and patriotic duty, save every dollar you can, and let it earn interest in a Savings account.

At the evening session several more planks were sent in Brockville, Ont. from the committee, resolutions of a more or less non-contentious character, and it became evident that conscription, the Laurier leadership and the bitterly controversial issues would not come up before the convention before tomorrow. Indeed, T. A. Crerar, president of the United Grain Growers, Limited, and a member of the committee, told thepress that the vital issues had not yet been taken up for discussion by the committee

The first plank presented to the convention tonight called for a better system of land settlement and immigration, and was presented in a vigorous speech by J. G. Turriff, M.P. for Assiniboia.
