City News Items

Is in Toronto.

Engineer, Ireland of the Hydro-Electric Power Commission left this morning for Toronto.

Moved to Toronto.

Fred G. Hamilton has been moved from the Market St. C. T. R. ticket office to the city ticket office in Toronto.

Four Young Crawlers.

Four fast young swimmers have lately been discovered in the Y. M. C. A. One of them has done the 20 yards in 101.5 seconds and promises to make a big showing when he is further developed. The four all swim the crawl stroke.

Blodgett Bible Class.

The Blodgett Bible Class met at the Y. M. C. A., yesterday when one of the best portraits of the Saviour, of the series was given. Mrs. G. W. Barber spoke upon Him as a Good Shepherd and members of the class were greatly enthused at the address, and Mrs. Barber was the recipient of hearty congratulations for her able discourse.

The Reason Why.

"Some years ago" declared Ald. Sutch to-day "the City Council passed a by-law stipulating that all contractors pay the minimum union scale of wages. The by-law is still in force although in recent years the particular clause in question has not been inserted. I believe it should be inserted and the majority of the city think so too. That is the reason why new tenders are being called for the manufacture of special castings required for civic purposes."

Smashed the Spring.

A slight mishap occurred on Dalhousie street this morning when a foreigner, who was a democrat on the wrong side of the road ran into one of Hunt and Colter's cabs smashing the reach and breaking the left rear spring. The cab was going west on Dalhousie street and the foreigner was driving in the opposite direction, when the rear of his wagon caught the cab in the centre, scratching the varnish and breaking the springs.

With the aid of some ropes the cab driver was able to tie the rear wheels on sufficiently to get back to the barn. The police are after the foreigner who did not stop and he will be charged with a breach of the traffic by-law.

Marlborough Church Team

A very enthusiastic meeting was held last night by the young men of Marlborough St. Church for the purpose of organizing a baseball club. The meeting was well attended, and the following officers were elected: Hon. Pres., H. Isaac; President, L. House; Vice-President, J. House; Secretary-Treas., A. Freeborn; manager, J. Curtis; Hon. members, A. Lamb, G. Markle, J. Ham, Mr. Wallis, R. Anderson, J. Freeborn. The club will be known as the Marlborough White Sox, and is anxious to get in touch with all other church baseball organizations for the formation of a church league. Any clubs that are interested can get in touch with Sec-Treas. Freeborn, phone 321.

Boy Knight Notes.

Matters have been moving briskly around our building this week. Shooting practice has steadily been carried on. Splendid scores have been made by the seniors. The juniors are also doing well in this regard. The senior boys held a meeting on Wednesday evening with Capt. Matthews as chairman. Lieut. Hawke was appointed Secretary pro tem and arrangements were made for the giving of a social evening next Thursday. The various committees were appointed, and much other business was transacted. The mothers will meet next Wednesday afternoon at the Academy. Many new members were added to the Girls Companions, at the meeting last week. The attendance of boys at the building this week is being kept, so that some idea as to the average attendance may be obtained.
