RYNERSON WAS TWO STRONG FOR LONDON

NEW PITCHER HELD COCKNEYS TO THREE HITS—HAMMOND WAS NICKED FOR SEVEN HITS—BRANTS PITCHING STAFF CERTAINLY LOOKS GOOD NOW—BARRY PLAYED IN OUTFIELD AND GOT A SINGLE.

London, July 16.—When Brantford defeated the London Canadian League Club at Tecumseh Park yesterday by 3 to 0, it was no exception to the usual happenings at the local resort, as it is very difficult to convince baseball fans of anything contrary to the fact that the Tecumsehs are merely a stepping stone for the other five clubs in the circuit.

Mr. Ryner, a former South Michigan League hurler, was steaming along in fine shape and everybody expected that he would turn in a no-hit no-run game, judging with what effectiveness the local sluggers used their bats. The Tecumsehs, however, did not get to the big right-hander in the ninth inning, and had McEvoy displayed any sort of regular pastime ability at bat with three men on bases with the tally three and two on him a different story than a shut-out might have been recorded.

McEvoy as PINCH HITTER.

Lamy occupied third base on this particular occasion, and when Ryner wound up to pitch to McEvoy, with three balls and two strikes on him, Lamy tore for the plate. Ryner son hustled the throw, the ball cutting the center of the plate, and McEvoy looked at it for the third out, leaving three men stranded. His mind must have been a long way from the occupation from which he makes a living. Fans much admire a fighting spirit along with aggressiveness, and there certainly was a distinct lack of both.

Alas, poor Hammond! the London hurler who started out this season like a coming star, was found for base hits at opportune times, which netted the Brants their three runs, and during the earlier stages of the game there was every reason to believe that runs were easy to get, judging from the manner in which the Brants got theirs.

FAIL TO SEE IMPROVEMENT

There was no appreciable difference in the strength of the Tecumsehs, despite the changes made by Manager Reisling, and still further renovating is expedient before they take on many victories.

The Tecumsehs were baffled from the start of the contest by the strong hurling of Ryner, who worked his first game for the visitors, and it is no mystery why Shaughnessy put up a fight to land the young hurler right under the nose of the Brantford club. The Tecumsehs did not get a hit off him until the eighth, when McEvoy singled to open hostilities, which, however did not develop into a belated rally, as the next batter was out on a grounder and the next two breezed.

THROWN AWAY CHANCES

London's only real opportunity presented itself in the ninth, when Lamy hit for two bases after one man had retired. Reidy was hit by a pitched ball, and O'Brien was safe on a slow grounder to Dunlop, filling the bases with two out. McEvoy was, as related, struck out watching the third strike go over the plate with nothing on the ball but the cover.

LONDON'S INFIELD WOBBLY

Ryner was superb with the exception of the final inning, and even then he looked too good for the Tecumsehs. The Brants, on the other hand, played the sort of ball for which the locals fell for, their first run was the result of a double steal, executed by Cooper and Burrill, when Lacroix threw badly to Whitcraft. It appears that every time such a play arises the Tecumsehs fall for it. Instead of pegging the ball to third or even to the pitcher, Lacroix throws to second, helping their opponents to score on one of the game's worst sort of misplays.

DOUBLE STEAL EARNS RUN

In the first inning, Dunlop singled after Dunn struck out. Cooper was safe when Whitcraft threw poorly to McEvoy, which put Cooper on second and Dunlop on third. Burrill grounded to Whitcraft, who threw Dunlop out at the plate on a fine play. Cooper, having gone to third, did not stay long there, as Lacroix threw to Whitcraft when Burrill and Cooper started a steal. Cooper scored and Burrill was safe at second on Lacroix's poor throw. In the second, Barry opened with a single behind second. Fried sent him to second on a bunt and Ryner advanced him another base on a grounder, from

In the fourth Ivers doubled to start with, but he was left at second, when Hammond once more looked like himself. However, this form did not last, as the Brants crowded over another run in the fifth on three hits Ryner son started with a single and Dunn's bunt put him down to second. Dunlop popped out to Whitcraft, but Cooper's single sent the pitcher home. Burrill singled but runners were left when Ivers fled out to Lamy. During the last four innings the Brants were blanked as far as hits and runs were concerned. The score:

GUELPH DROPS BACK INTO SECOND PLACE

Ottawa, July 16.—Ottawa defeated Guelph yesterday afternoon 3 to 2 in the first game of the crucial series in the Canadian League, putting Hamilton ahead. Tension was high throughout the game. Fuller knocked a home run in the first inning, and claimed that Murphy tried to trip him at second. Later Murphy was put out at second, he claiming that Fuller tried to spike him, and the two came to blows. Smykal and Umpire Cockman then separated them. Lee and Bullock had a clash, and Cockman threatened to put Shaughnessy out of the game for disputing a decision. Brown, who was arrested at St. Thomas for showing disrespect to the Canadian flag, rejoined the Guelphs and got a noisy reception here. The score:

Ottawa	110001000—3	7	3
Guelph	000020000—2	5	3

INTERNATIONAL LEAGUE

Jersey City, July 16.—Jersey City and Montreal played sixteen innings to a two to two tie here yesterday. Both teams hit the ball well, but with the exception of three innings the hits were well scattered. After the Skeeters had taken the lead in the second inning by bunting hits for one run the Royals came back in the fifth sending across two runs. Jersey City tied it up in the eighth and from then until darkness stopped the contest not a runner was able to get around. The score:

Jersey City	000020000000000—2	16	1
Montreal	000000000000000—2	14	1

RICHMOND 6, BUFFALO 4.

Richmond, July 16.—Richmond got a six run lead off Zader in the first two innings yesterday, and though the Bisons made a game effort, scoring two each in the sixth and seventh, Cottrell, the former Yankee, playing his first game for Richmond, managed to hold them safe thereafter and Richmond won 6 to 4. Score:

Buffalo	000002200—4	7	0
Richmond	15000000X—6	9	3

BILL KELLY HERE.

TROUT GONE HOME

Toronto, July 16.—Bill Kelly, the Leafs' catcher, arrived here yesterday afternoon on crutches, the result of having his foot fractured at Providence.

It develops that Irving Trout, the Leafs' outfielder, is at home suffering from an attack of fever. He left the team three days ago.

Old hard luck even overtook the Leafs' trainer, who slipped on the sidewalk at Providence, and sprained his ankle.

Disability to hit Bressler in the pinches cost Chicago the game with Philadelphia, 3 to 2. The Athletics had little difficulty bunting their hits off Cicotte.

The Braves scored three runs on one hit in the seventh inning and defeated the Pirates, 3 to 2. A pass, Wagner's error, Smith's double, a sacrifice and a long fly caused the Pittsburgh downfall.

"Lord" Byron, the well-known Czar, chased John McGraw and thirteen of his hired men off the field yesterday as a sort of anti-climax to a Cub victory, 7 to 2. Jimmy Laverder struck out ten Giants and pitched runless ball after the third, while Perritt was hit in bunches.

The Boston Red Sox forged to the front in the series with Cleveland, three games to two, by taking yesterday's 4 to 3. Barry saved Shore's bacon in the sixth when he made a spectacular one-hand leaping catch of Graney's line drive and converted it into a double play, the bases being filled at the time.
