Phillies are Now Leading

New York, Sept. 7.—New York and Brooklyn broke even on their double-header here yesterday. The Giants winning the first game easily, 6 to 1, and Brooklyn taking the second by 2 to 1. Benton, New York's left-hander, pitched both games for the Giants, permitting fourteen hits in the two contests. He had little trouble winning the first, as Brooklyn played poorly. In the second the two had an interesting pitchers' battle. Scores: First game—R.H.E. Brooklyn . . . 00010000—1 4 1 New York . . . 04100001x—6 8 0 Cheney, Dell, Mills and Miller; Benton and McCarthy. Second game—R.H.E. Brooklyn . . . 10100000—2 10 1 New York . . . 01000000—1 7 1 Marquard and Meyers; Benton and Rariden.

Ordinarily "Buck" Freeman is a rather good umpire. Like any other "umps," he makes an occasional mistake. But yesterday— Manager Tommy Leach of the Hustlers is well past the forty mark, but he is as sprightly as a prep school youngster. Leach can still outrun eighty per cent of the young players on his or any other team in the International League.

Just How Fast Ty Really is

Detroit, Sept. 7.—Tyrus Cobb, matching his speed against the throwing arms of Lavan, Harley and Sisler, in the tenth inning to-day scored the run which gave Detroit a four to three victory over St. Louis. With one out Cobb beat out a hit to the shortstop. He stole second, and Harley's low throw bounded into Marsan's hands, but Cobb continued to third, and beat the throw. Veach grounded sharply to Sisler, who forced Cobb to return to third, but as Sisler was touching first Cobb tore for home, and beat the throw by an eyelash. Score: R.H.E. St. Louis . . . 0000021000—3 10 1 Detroit . . . 000010111—4 8 4 Leonard and Thomas; Sheehan and Pleinich. Borden is Full of Rugby Players

For a Toronto rugby outfit at Camp Borden here are the following: On the half line, Capt. Hugh Gall of the Engineers; Lieut. Hal DeGruchy, the 208th; Capt. Gord MacIaren, 180th Sportsmen; Lieut. Davis, 204th; Lt. Lal Knowles and Lt. Locke, 201st, all former Argonaut and T. R. and A. half backs, and all good enough to hold their own on any half-line. A half-line composed of Hugh Gall, Hal DeGruchy, and Gord MacIaren would look quite formidable right now. On the line there are Doug, Patterson, the husky, Argo wing man, who played the best football of his career last season, who is in camp with the C. A. S. C.; Capt. Frank Knight, with the Dental corps, who is hard to equal as an outside wing man; Nicholson, a former McGill man; Lt. Bob Dibble and Capt. Adelaar. And for Hamilton, they commence their outfit on the half-line with Major "Sam" Manson, of the 173rd Hamilton Highlanders, who is nearly a whole team in himself—at least they think so in Hamilton. As far as has been learned, there are also Glassford, Myers, Erskin, Potticary, Chynon and Awey. These names have been suggested at first hand information, and it is known that there are numerous other Tiger and Hamilton Rowing Club intermediate players in camp, who will appear on the first sight of the pigskin.

Eight Runs in First Inning

Buffalo, Sept. 6.—Montreal beat Buffalo by 10 to 6 to-day. The Royals knocked Bader out of the box in the first inning, and also hit Gaw hard, scoring eight of their runs in this inning. Buffalo played a determined uphill game, but could not overcome the handicap. Score: R.H.E. Montreal . . . 800200000—10 14 3 Buffalo . . . 101100020—6 14 2 Batteries—Cadore and Madden; Tiger and Hamilton Rowing Club intermediate players in camp, who will appear on the first sight of the pigskin.

W. INGLIS AND H. HENDERSON ARE WINNERS OF THE EL FAIR TROPHY

Two Young Bowlers last Night Won Final Round for Cup Summing Up of This Year Tournament.

The Brant County Scotch doubles tournament was brought to a close yesterday evening, with the completion of the final rounds for the El Fair trophy, which was carried off by Messrs. W. Inglis and H. Henderson, a pair of the youngest bowlers entered for the tourney, who are to-day receiving the congratulations of countless friends throughout the city upon their fine showing in the event. Defeated in the first round for the Expositor trophy, Inglis and Henderson became relegated to the El Fair tourney, and from that moment progressed steadily onward into the finals, overcoming all opponents with indomitable confidence. The final round, played last night upon the greens of the Brantford Club by Inglis and Henderson against Caspell and Newsome, was witnessed by a very large number of spectators with absorbing interest, and both the victors and the runners-up were the recipients of hearty commendation from all. With five rounds played, an even half dozen rinks were still in the running when play was commenced for the third day yesterday afternoon. Those competing were: Caspell and Newsome, Inglis and Spence, W. Inglis and Henderson, Dowling and Lyle, Paterson and Waterous, Wood and Lahey. The completion of the sixth round saw the elimination of the three latter rinks by the first three named. In the semi-final, Caspell and Newsome overcame Inglis and Spence, W. Inglis and Henderson earning an easy passage to the final round by drawing the bye. The final then resulted in a score of 20 to 9 for Inglis and Henderson. Too high praise cannot be given

Leafs Failed to Win Either

Toronto, Sep. 7.—Although the Leafs lost and drew with the Rochester Hustlers at the Island Stadium in yesterday's double-header, they are still in relatively the same position to the Buffalo leaders as they were at the time the game commenced. Somebody put sand on the track over at Buffalo and the Royals stopped skidding long enough to beat the champions 10 to 6. Howling Howley's Royals scored eight runs in the first inning against Bader and Gaw. That settled it. So after twenty-one long innings the Leafs are "as they wuz before they were." The first game went to the courtiers before the Hustlers snatched it. The second set was halted by agreement in the seventh inning, with the score tied at three runs each. Great Work by Leverenz. A strong defence against a weak offence is accountable for the length of the first game. Southpaw Walter Leverenz, who used to monopolize the headlines in the St. Louis sporting pages when he was with the Browns, twirled one fine and fancy game of ball. The box score shows three hits against him. Trout got two and Truesdale one. One of Trout's safeties was nothing but a gift. It was an easy fly ball which Sloan made no attempt to catch when it became "lost in the sun." It fell at his feet. Trout's other hit was a single to left, and Truesdale, who batted right-handed against the southpaw, popped one into right. Neither was a solid drive, but Truesdale's helped to score Toronto's only run. The Hustlers simply pounded out a victory in the fourteenth. A three-base hit, two doubles and a walk accounted for Toronto's three runs in the second game. Both Markle and Kirmayer were being subjected to some healthy thumping. Leverenz richly deserved to win his game. By the same token, the Leafs deserved to lose it. Not only were they unable to hit the left-hander, but they neglected what few opportunities were presented.

Newark Was Shut Out

At Newark—McKenery was at his best to-day, and Richmond shut out Newark by 8 to 0. The Indians' errors were responsible for many of Richmond's runs. Score: R.H.E. Richmond . . . 200003003—8 11 2 Newark . . . 000000000—0 5 6 Batteries—McKenery and O'Donnell, Hale; Wood and Eagan.

BOY OF FIFTEEN IS U. S. GOLF SENSATION

"Bobby" Jones of Atlanta Works Way Into Third Round for Title.

Philadelphia, Sept. 7.—R. T. Jones, the 15-year-old boy of Atlanta, is the surprise 2nd sensation of the national amateur golf championship, which is being played here. The southern youngster worked his way into the third round yesterday by defeating Frank W. Dyer, the Pennsylvania State champion, four up and two to play. In order to win, young Jones had to overcome a lead of four holes, gained in the first six played. He did this by coming home in 31 strokes, despite a six on the eighteenth, an easy par four hole. This brand of golf squared the match and in the afternoon Jones won handily, winning by sixteen holes when the match ended. Had Jones played the by holes he would have probably had a 153 for the day's work and thus tied the low medal made by Fowles in the qualifying round. In working his way into the third round Jones has got in with seven other golfers who have national reputations. The championship is working up to the best finish in years, with all the prominent players left to fight it out in the remaining rounds.

Greys Won Easily From the Birds

At Providence—Providence had an easy time with Baltimore yesterday, winning by 7 to 1. Schultz allowed but four hits, while Sherman was hit hard throughout. Score: R.H.E. Baltimore . . . 00000010—1 4 3 Providence . . . 01110400x—7 13 3 Batteries: Sherman and McAvoy; Schultz and Egan.

Pittsburg Took a Pair

Pittsburg won a double-header from St. Louis here yesterday 3 to 2 and 6 to 3. With the bases full and the score a tie in the ninth inning of the first contest, Warner singled, scoring McCarthy with the winning run. Ames was hit hard in the second game, doubles by Carey and Bigbee, Johnston's triple and Farmer's singles coring three runs in the third inning. Lotz, who relieved Ames was also hit hard, but Harmen kept the visitors hits well scattered. Scores: First game—R.H.E. St. Louis . . . 00020000—2 10 2 Pittsburg . . . 00010011—3 9 3 Batteries: Steele, Watson and Gonzales; Jacobs, Kanteheer and Schmidt. Second game—R.H.E. St. Louis . . . 0000000021—3 11 0 Pittsburg . . . 10301001x—6 10 1 Batteries: Ames, Lotz, Williams and Gonzales; Brotten; Harmon and Fischer. Boston vs. Philadelphia, rain.
