Obituaries

KINSMAN SWEET

The death of Mr. Kinsman Sweet of Antigonish occurred on Saturday morning last at the age of 68 years. The deceased was a brother of Mr. H. P. Sweet and Miss Lottie Sweet of Billtown, and another brother the late W. S. Sweet of Billtown passed away last October.

ALEX BARNABY

The death of Mr. Alex Barnaby took place at his residence Kentville on Saturday morning last aged 71 years. The funeral service was held yesterday afternoon and was largely attended. The members of the Forrester's Lodge of which deceased was a member marched from their rooms in a body. The burial took place at Chipman Corner.

Mr. Barnaby leaves a wife and four daughters, the daughters all being home to the funeral. They are: Mrs. E. B. Simmonds and Mrs. C. Lord of Waltham Mass, Mrs. E. B. Dale of Cambridge Mass, and Mrs. A. A. Rottler of Highbury Kings Co.

Mr. Barnaby was one of the old residents having been born in Kentville. He was a builder by trade and was active in his work until two about years ago.

Mrs. S. R. ACKMAN

Among those who came to Kentville on No 95 train Monday morning were Mr. George Ackman, of Moncton N. B., Claims Agent, Intercolonial Railway, and Mr. Bert Ackman of the D. A. R. Service, and well known in this town, bringing with them the body of their mother for interment beside that of her husband, the late Rev. S. R. Ackman who predeceased her some months ago.

After the death of her husband, Mrs. Ackman went to live with her eldest son at Moncton for some months, but for the past few weeks has been residing at Truro with her son Bert. About two weeks ago Mrs. Ackman through old age and its attendant infirmities was compelled to take to her bed, and passed away Saturday morning last. Funeral services were held at Truro Sunday and largely attended.

Interment was made in the Oaks cemetery, Kentville. The service at the grave was conducted by Rev. Dr. A. C. Borden, pastor of the Lower Horton Methodist Church in the absence of Rev. R. C. Tait. The following friends of the family kindly acted as pallbearers: Messrs James Yould, E. J. Bishop, E. B. Newcombe, T. A. Lydiard.

The late Mrs Ackman was a woman of winning personality and was much beloved by her many friends, by whom she will be missed. The sons will have much sympathy in their bereavement.

Corric Lenses fitted at J. R. Webster's at half the price charged by pedlars.

Wedding Bells

PELTON—ROBINSON

The home of Mr. and Mrs. Henry A. Robinson of Lewiston, Maine, was the scene of a pretty and interesting event on April 30th., when their daughter Frances Estelle was united in marriage to Mr. Frank Pelton, son of Mr. and Mrs. Noble Pelton, Kentville.

The ceremony was performed by Rev. H. B. Hutchins, the bridal couple standing beneath a bell of evergreen suspended in the 'bow window, which was prettily decorated with flowers and evergreen for the occasion.

The bride wore a charming dress of white silk muslin trimmed with shadow lace and bead trimming and carried a bouquet of white roses.

After luncheon was served the happy couple left for their future home in Alstead, New Hampshire, visiting Portland and Newport en route.

The bride was the recipient of many beautiful and valuable presents, testifying to her popularity. The ADVERTISER extends best wishes.

A number from here were at Wolfville Tuesday evening last in attendance at the enjoyable Recital given by the pupils of Acadia Seminary in College Hall.

The Recital given by Miss Irene Bewley in Pastime Hall, last Friday evening, was a decided success. There was not a large audience, but it was intellectual and representative. This was Miss Bewley's first appearance in Kentville, and judging by the attitude of the audience, and the frequent requests for a future rendition of some part of her repertoire, there is no doubt it will not be her last. She preluded the play "Esmeralda" with 3 short monologues, which were, at least, instructive to the juvenile portion of the audience. Miss Bewley is evidently an artist and possesses wonderful charm and grace. She held the audience spell bound in "Esmeralda." Her wonderful impersonation of the various characters, together with a perfect enunciation of words gave to her work, that, which cannot fail to be elevating and educative. Should Miss Bewley come to Kentville again, it is hoped that a larger audience will greet her appearance.

FOR SALE—Some very choice Wellington, Cox's Orange, Red Gravensteins and Wagner Trees, transplanted at one year old, now growing from 4 to 5 ft. apart, 7 to 9 ft. high, 1 1/2 to 2 inches caliber.

Also some splendid specimens of Horsechestnuts, Elm and Maple trees and a variety of shrubs such as Spiraea, etc. Apply to RALPH S. EASTON, Kentville. 1 sw

FERTILIZER,

Our mixed fertilizer has the record of growing the largest crops of any fertilizer that was ever sold or used in U. S. So why do you use a cheap grade of fertilizer when you can buy the best grade at the same price you have been paying for the low grade.

We can also supply you with all kinds of chemicals to be shipped upon the arrival of our vessel at Canning, from Boston, which is due in a few days now. Ask for prices for prompt shipment on arrival of vessel. Our prices are the lowest Yours very truly

HARNESS! that is what we say, if it is anything in the leather line we have it or can make it on short notice. We request everyone that is thinking of buying a Harness of any kind this summer to come in and see us before going elsewhere. We have a full line of whips, summer horse rugs, and lap robes. Also one of the best lines of Auto Gauntlets that can be seen in town, and other gauntlets of every kind and the prices are right.

Come once and if we suit you tell others, if not tell us. Repairing promptly done.

Statement by the Company

For the information of Investors

For the past 21 years Mr. John I. Lloyd has carried on a successful business at Kentville in the manufacture of Saw Mill and Gasoline Engine Outfits, and in order to provide additional capital to meet the increasing demands of his business he recently converted his establishment into a Joint Stock Company. The Company has made an advantageous arrangement with Mr. Lloyd, whereby his exclusive services and the benefit of his experience and inventive genius are secured for the new Company

In order to provide the funds required to enable it to enlarge and improve the Plant and Apparatus; to meet the steadily growing demand for its manufactures; and to extend its operations and develop its business for which there is a wide and promising field, the Company now offers for subscription this issue of \$25,000 First Preferred Six per cent. Cumulative Stock carrying a bonus of 30 per cent. in fully paid Common Stock. The dates of payment have been arranged with a view to meet the convenience of subscribers. Holders of this stock are accorded the privilege of electing one of their number to represent them on the Board. It is confidently submitted that this small, select and attractive stock is well worth the attention of prudent investors who are looking for a safe and sound investment, and desire to avoid speculative risks and entanglements, for the following reasons

FIRST—There being no bond issue, the principal sum invested constitutes an absolute first charge and ranks prior to \$75,000 of Second Preferred and Common Stock, which have been issued and are fully paid up

SECOND—The Cumulative Dividend constitutes a first lien of only \$1500 a year on the net earnings, which last year amounted to \$5,270, as certified by Mr. Leverman, C. A.

THIRD—The Bonus Shares are entitled to participate equally in all dividends declared on the Common Stock. The net profits of last year were equal to 4 1/2 per cent. on the Common Stock, so that obviously this is a valuable concession, which may be reasonably expected to yield good returns

FOURTH—The proceeds of the issue will be invested, not in a new and untried enterprise, but in an old-established, prosperous and well-known business, which is capable of being largely extended

The Subscription List will close on May 15th, 1913

Applications, with remittances of \$25.00 per share, for the number of shares applied for, may be made to the Royal Bank of Canada, Kentville, N. S., agency, or direct to the Head Office of the Company. In the event of no allotment being made the remittance will be promptly returned to the applicant.

Any further information will be cheerfully furnished on application to the

Lloyd Manufacturing Company, Limited
