Spectators Serious Fall. BRUSSELS, Jan. 28—While viewing a hockey match in the Brussels rink J. Currie had the misfortune to fall from the gallery, sustaining serious injuries. Mr. Currie had become very enthusiastic over the game, and in his eagerness was leaning over the wire netting which surrounds the gallery when suddenly the wire broke and he fell to the ice below, a distance of about ten feet.

He was picked up in a helpless condition and removed to his home, where it was found he had broken his thigh. Mr. Currie is one of the leading merchants of the town.

Blanchard, the Whitty amateur, has declined an offer from the Toronto.

Wychwood won a junior game in the Toronto League last night from C. N. R. by 9 to 0.

Completely outclassed in every department, the Sydney "Millionaires" were defeated at Halifax last night by the Socials by 6 to 1.

Some of the O. H. A. clubs are now five games behind their schedules. Welland is that far in arrears and has been unable to get any ice weather this season.

Most of the outdoor leagues will have to revise their schedules in order to finish the season before winter breaks up. Some of them have not yet played a game.

McGriffen, Toronto, is out of the hospital, in which he has been undergoing treatment for two weeks. He will not be ready to play for a week or ten days.

In the fastest game of the Maritime Provinces League this season the Moncton Victorias defeated the New Glasgow team last night 2 to 1 after seven minutes overtime play.

Kingston Frontenacs expect to give St. Michael's a hard battle at the Arena to-night. The Irish are in none too good a condition after their struggle at Peterboro'. Bill Murphy will be back on the defence. Rankin may be unable to play.

Clergymen Favor State Boxing Law MILWAUKEE, Wis., Jan. 29.—Milwaukee ministers are in favor of the passage of a state law for regulation of boxing.

A signed statement yesterday by a committee representing the Milwaukee Federation of Churches reads:

"We favor new legislation that will allow boxing matches under supervision, and that shall strictly define the meaning of the term and prohibit prize fighting and brutal slugging matches."

BASEBALL

A Buffalo Southpaw for St. Thomas ST. THOMAS, Jan. 29.—The St. Thomas Baseball Club has signed up a new pitcher by the name of Joseph Macomber. He is a left-hand thrower, and he has been pitching in and around Buffalo for several years. He was induced to affix his name to a St. Thomas contract by Geo. Needham, the former Guelph manager, who also so scouts for the St. Louis Browns.

Macomber won 19 out of 25 games last year. He is 22 years of age, stands 5 feet 10 inches in height and weighs 170 pounds, and, according to Needham, is considered good looking. Needham is sure he will make good in St. Thomas.

Needham also intends signing up a catcher, a second baseman and an outfielder for the Saints. While he admits that most ball players are better in the winter than they are in the summer, he informs the local management that the men he is signing up are summer and not winter ball players.

A letter also has been received from Jacobson, of last year's hurling staff. "Jake" isn't dead stuck on the figure mentioned in the contract sent him, and it is not likely he will wear a St. Thomas uniform the coming summer.

May go into Baseball CARLISLE, Pa., Jan. 29.—James Thorpe, champion athlete, says his fondness for athletics will probably result in making baseball his profession since participation in all forms of amateur athletics is now denied him. He has not yet signed with any team, although numerous offers have been made him since last summer. He receives sympathy rather than censure here. He has been popular while at the Indian school and has not displayed professional spirit.

St. Thomas Club Changes Hands. ST. THOMAS, Jan. 28.—A change has been made in the control of the stock of the St. Thomas Canadian League club. A. E. Fulton, who had one-quarter interest here, owing to his absence from the city, sold out to E. C. Killingsworth, W. Swift and J. W. Chandler. The stock in the club is now held as follows: E. C. Killingsworth, three-eighths; W. Swift and J. W. Chandler, three-eighths jointly; C. O. Stanley, one-quarter. It is understood that the directors of the club still hope to secure the services of R. D. ("Bob") Emslie as manager. Mr. Emslie is at present on the payroll of the National League as an umpire, but not actively engaged in these duties, and if arrangements can be made he would not be averse to piloting the Saints. He is wintering as usual at his home here.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh), that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

JERSEYVILLE. (From our own correspondent.) The people of the Jerseyville Methodist church spent a very enjoyable evening on Monday, when they took a surprise party to the home of Mr. Elwood Howell. The crowd gathered about 8:30 p.m. and presented Miss Janet Howell with a beautiful solid mahogany music cabinet in appreciation of her services in the church as organist for the past few years. The address was read by Mr. C. H. Swartz and the presentation was made by Messrs. R. Black and H. Wood, after which Miss Howell expressed her gratitude in a few words. Addresses and music were rendered by others present, after which lunch was served. All departed after having spent a pleasant evening.

The many friends of Dr. Raphael regret very much to learn of his departure from their midst. He is moving to Cainsville where he be-

gins practice this week. The Epworth League held a Literary evening last Tuesday night. The important feature of the evening was a debate: "Resolved that life in the city is more preferable than life in the country." This subject was well discussed and country life proved to be more preferable.

Miss Louise Raphael returned this week from a trip to Montreal and Quebec.

Mr. Frank Bishop of Elmvalle and Miss Ariel Porteous of Pine Grove, were visitors at W. Bishop's last week.

MIDDLEPORT. (From our own correspondent.) The February meeting of the Woman's Institute will be held on Thursday, Feb. 6, the ladies will meet in the Methodist Church in the afternoon at 2:30 o'clock, where they will be addressed by Mrs. Wollard of Toronto, and the gentlemen will meet in the hall where Mr. Anson Crole of Preston will address them. The ladies will provide lunch which will be served in the hall. A joint meeting will be held in the hall in the evening in which addresses will be given. A good programme is expected. Everybody welcome.

Miss Lottridge is visiting in Caledonia.

Mr. R. Dougherty visited in Brantford a few days last week.

Miss Gussie Peddie and Miss Crossier are visiting Mr. Peddie in Middleport.

Mr. Thomas Fearman is quite ill with bronchitis. Dr. Maw is in attendance.

Mrs. F. Morrell and children have gone to Bowmanville.

NO ONE STRONGER THAN HIS STOMACH.

The celebrated Dr. Abernethy of London was firmly of the opinion that diseases of the stomach were the most prolific source of human ailments in general. A recent medical writer says: "Every feeling, emotion and affection reports at the stomach (through the system of nerves) and the stomach is affected accordingly. It is the vital center of the body." He continues, "so we may be said to live (through) the stomach." He goes on to show that the stomach is the vital center of the body. For weak stomachs and the consequent indigestion or dyspepsia, and the multitude of various diseases which result therefrom, no medicine can be better recommended as a curative agent than

Dr. Pierce's Golden Medical Discovery.

"Several months ago I suffered from a severe pain right under the breast-bone," writes Mrs. G. M. MURRAY, of Corona, Calif. "I had suffered from it, off and on, for several years. I also suffered from heart-burn, did not know what was the matter with me. I tried several medicines but they did me no good. Finally, I was told it was my liver. I did not dare to eat as it made me worse. Whenever I swallowed anything it seemed that it would faint—it hurt so. I grew very thin and weak from not eating. Was told to take Dr. Pierce's Golden Medical Discovery. I took five bottles of it, and could feel myself getting better from the first dose. I could eat a little without pain and grew strong fast. I could eat a little strong and well and can do a big day's work with ease. Can eat everything and have no pain. I feel wonderfully. I will say to all sufferers write to Dr. Pierce. He has my undying gratitude."
