CONTR

Convention of Direct Taxat of House lation

What will no doubt be a voice of far reaching respect of the government on Thursday the Saskatchewan Local Districts Association. There were about 40 present to attend which met in the O at 8 p.m. The chair was taken by Wilson who in speaking of the meeting said improvement councils and they are elected poses. Money voted for local public throughout the count expended through the of the people in the ment districts. We d antagonise the govern way for all we wish sist them. We insist obtaining the best re expenditure of public ent with economy. T should bet their estim local councils. The chairman then ap pression from the mee the object of their gat er, and W. P. Osier m by A. S. Gower that present organise a pro ation. This motion was several delegates and c mously. The name chosen for tution was The Saskat Improvements Districts

Election of Of

It was decided that of the organisation sh a president, three vice retary treasurer and committee of twelve.

The following were e President—S. Chivers 1st Vice—W. McCork 2nd Vice—W. P. Osie 3rd Vice—J. H. Bri Sec.—Treas.—J. D. Fi Executive Committee Chambers, W. J. Paster mon, A. J. Bradley, J. K. McLeod, David V. Hearst, D. Wilson-Pau J. Tranberg, C. Acker. A resolution commit of Messrs. R. Percy, J and S. Gower was por to the morning meeting then adjourned.

Morning Sitti

The convention re-ass in the chair. The committee on rev ed in their report whi up clause by clause. Th tion was similar to tha the Grenfell convention sed as follows: Move Mitchell (Grenfell) sec Percy (Fleming) That a for the improvement of Local Improvement de based as far as possible furnished by the secretary districts on behalf of estimates to be based on taxes assessed.

That after the votes h sed by the legislature th treasurer of the local districts shall be advis erment of the amount for expenditure within t

The next resolution w moved by R. Percy, sec R. Mitchell: That in the opinion of tion the present system of railway and land corpon taxation is inequitable at injustice is being done se have been improving and the country in the past, a such lands should be call pay their share of the ju from the date of format district, in which situated least the year 1902.

It was moved in ame W. H. Chambers (Douglas del by L. Gabriel (Dunne words, "Dominion govern land corporation reserves abandoned homestead lands" ed in the resolution as the exemption.

There was a warm disc regarding the benefit specu rive from the developm country, while they in man not improve the land. J. bell, Davidson, said that lators' land had advanc acre by he having improve adjoining while the forme vantages which cost him

The amendment passed. The question of taxing homesteads was a matte concern and the general was that if improvements to homesteads and arrears against it when abandone erment should make the re-entered for this land pr

The following motion w Moved by E. Slater (Stou onded by A. H. Salmo (the Dominion government alised to have taxes asses abandoned homesteads o against them and paid on

After considerable discus decided not to pass a resol ing with the proposed cha local improvement district leave the matter till the reports are published. The question of appointin committee was up for dis
