Referring to the company that performed in Wolfville on Wednesday evening the Berwick Register aptly says:

"A travelling heterogeneous combination gave what it alleged was a production of 'Uncle Tom's Cabin' in Berwick on Monday night. To say that the performance was absolutely without merit is to speak of it in terms of flattery. The players could not play; the actors could not act. From the point of view of the proprietors, however, it was a grand success, the net receipts doubtless exceeding one hundred dollars."

To Let.—The house now occupied by Mrs. Gibbons, nine rooms and bath, set range. Possession April 1st. Apply to L. W. Sleep.

A Parrsboro correspondent to the St. John Telegraph says:—"The musical and eloquent entertainment given in St. George's Hall on Monday evening by three visiting young ladies, Misses Treva Mitchell, Alice Huntington and Maude Scott, was immensely enjoyed by the audience present. Miss Mitchell, who is an excellent pianist, captivated the audience from the start, her beautiful selections being particularly good, while Miss Huntington, lately returned from Germany, showed wonderful skill as a pianist. Miss Scott, whose ability as a vocal soloist was already known to a large number present, delighted the audience by her singing. Her accompaniments were played by Miss Emily Young. The entertainment was under the auspices of the ladies of the Baptist church."

How Do These Styles Suit You?

They are the very newest and latest for summer wear, and they are the finest combination of style and value that we have ever shown. Note the fit of the shoulders and see how snugly the collars and lapels follow the form, and how artistically proportioned they are! Even if they hadn't the label on them you would know that they are the product of the

20th Century Brand

tailor shops in Toronto. No style point has been overlooked and no effort spared to make them what they are—the best in Canada. Prices are the lowest you ever paid for good clothes, but perhaps not the lowest you ever paid for bad ones. All sizes, many prices.

A monster bazaar in aid of St. Joseph's Catholic-Globe at Kentville is now in preparation. The affair promises to be on a grander scale than any yet attempted in these western counties. Particulars will be given the public from time to time. Special rates will be offered on the railway.

The number of deaths occurring among young children during the summer months is simply appalling. In the city of Montreal last week, 175 children under the age of five years died, and nearly all the deaths were due to stomach and bowel troubles. With ordinary care most of these little lives might have been saved. Watch the food given the little ones. Do not feed nudes; see that the milk given is pure, and give an occasional dose of Baby's Own Tablets, a medicine which surpasses all others in preventing and curing stomach and bowel troubles.

Constipation, Kidney Trouble

Mr. J. A. Buchner, Port Robinson, Ont., writes:—"For many years I was the unhappy victim of kidney trouble, rheumatism and constipation, which became so bad that I could hardly walk. I was a constant sufferer and at times completely unfit for anything. The appetite failed, my nerves were shattered and I was languid and feeble."

"A friend advised the use of Dr. Chase's Kidney-Liver Pills, and I am thankful that they fell into my hands. The first box gave relief and hope and I continued to use these pills until the time came when I was enjoying my former good health and vigor. It took about eight boxes to make me feel complete, and I shall always recommend Dr. Chase's Kidney-Liver Pills as an ideal medicine. I am giving this testimony for the benefit of others suffering as I did."
