Sir.—A vacancy having occurred in the House of Assembly in the representation of Princetown and Royalty, by the lamented death of our late Member James M'Kay, Esquire. We, the undersigned Electors of said Town and Royalty, respectfully request, that you will permit yourself to be put in nomination to supply the said vacancy—as from the knowledge we possess of your public and private character, and from the high official position which you so long, and so honorably filled in this Island, we have full confidence that in the event of your being elected as our Representative, the interests of Princetown and Royalty would receive your honest support and attention. (Here followeth the Signatures of Sixty Electors.)

To George Ramssuy, Exquire, and other Electors of Princetown and Royalty.

GENTLEMEN;
I have had the honor to receive your numerously signed Requisition, to permit myself to be put in Nomination as a Candidate, to supply the vachincy in the House of Assembly, occasioned by the lamented death of your late Member, James McKay, Esquire.

The confidence which you are pleased to express in my integrity, arising from your knowledge of my official conduct, would, under any circumstances, be highly appreciated by usic but, at this moment, they are peculiarly gratilying, as affording a sutificatory proof that the unscrupulous attempts of my enemics, to injure the one, and to impach the other, on my late retirement from Office, have signally failed. Until I received your Requisition, I backen intention again to take a prominent part in the public affairs of the Island; but, from the flattering manner in which you express a wish to avail yourselves of my services, as one of your Representatives in the House of Assembly, I willingly accode to your request, to be put in Nomination, as a Candidate at the approach of Assembly, I willingly accode to your request, to be put in Nomination, as a Candidate at the approach of Assembly, I willingly accode t

To the Electors of Charlottetown and Royalty.

Gentlement;

AVING accepted of the office of Colonial Secretary, in the present Government, my Seat in the House of Assembly has consequently become vacant; and I have again to come before you as a Candidate for your suffrages at the ensuing Election.

The Majority of the present House of Assembly are opposed to the Representatives of the Public Revenue; and in this, the Government, up to the present time, have acted as far as circumstances allow. I am, however, of opinion, as I stated on the Hestings when I last addressed you, that all Government Officers of Emolument, with the sucception of one Law Officer of the Crown, and the Provincial Secretary, should be excluded from the House of Assembly, and thereby place the Members of that Body above suspicion, and tend further to purify the Councils of the Country.

The confirmation of the appoinment I have accept-

The confirmation of the appoinment I have accepted, now rests with you; and should you deem me worthy of your further confidence, you may depend on my using every Constitutional means in my power, in conjunction with the Majority of the House of Assembly, in carrying out the principle of excluding certain Office-holders from having sests in the Legislature.

I have the honor to be, gentlemen, With much respect, your obedient servant, FRANCIS LONGWORTH. February 24th, 1854.
