THIS WOMAN'S MISERY

Ended by Lydia E. Pinkham's
 Vegetable Compound. Re-
 markable Recovery of
 Mrs. Church.

Smiths Falls, Ont.—"I suffered with
 falling of my organs, pains around my
 chest and in bowels and down my legs,
 neuralgia in my face and head, and that
 terrible sinking feeling. I felt that I
 could not live and would fix my house in
 order every night so there would be no
 trouble if I dropped off in the night.
 My husband went to the druggist to get
 him Lydia E. Pinkham's Vegetable Com-
 pound. I took six bottles and felt a lot
 better. I will always recommend the
 Vegetable Compound, and you can use
 these facts as a testimonial."—Mrs.
 J. O. Church, Box 845, Smiths Falls,
 Ont.

The success of Lydia E. Pinkham's
 Vegetable Compound, made from roots
 and herbs, is unparalleled. It may be
 used with perfect confidence by women
 who suffer from nervous prostration,
 displacements, inflammation, ulceration,
 irregularities, periodic pains, back-
 ache, bearing-down feeling, flatulency,
 indigestion and dizziness. Lydia E.
 Pinkham's Vegetable Compound is the
 standard remedy for female ills.

If there are any complications about
 which you need advice write in con-
 fidence to Lydia E. Pinkham Medicine

Says Hard Times Are Seen Ahead

Montreal Clothing Factories
 Are Closing down

Montreal, May 19—Three Mon-
 treal clothing factories have closed
 down. Three more are running short
 time; several have laid off men. By
 these indications and the fact that
 travellers report retailers time not
 buying the trade concludes hard
 times are ahead. No drastic cut in
 prices is expected this fall, but
 is looked for with certainty next
 spring. Retailers are stocked up
 with spring clothes which the incle-
 ment weather has checked the de-
 mand for, with the result they will
 have to keep them over. All indica-
 tions point to the conclusion that the
 public are not prepared to buy at
 present prices, and will maintain
 that attitude in the fall, with the
 consequence that to obtain money
 by spring, retailers will be forced to
 sell at a sacrifice and manufactur-
 ers will be forced to cut profits
 in order to induce them to re-stock.
 The feeling here is that the de-
 pression will not last longer than
 two seasons, so that by the end of
 1921 business will be on the up grade
 again. The labor situation is pow-
 erful factor, and as conditions in
 Canada, and especially in the Pro-
 vince of Quebec, appear more stable
 than in the United States, and there
 is every evidence that the British
 will flow in to develop natural re-
 sources, it is felt by business men
 versed in economics that Canada
 will weather the storm well. "We
 are sliding down into one of the
 valleys now," said one, "but there
 will be no disaster." The bottom
 will be reached quickly and prices
 will move up though they may not
 again reach the high peak from
 which they are falling now.

New York, May 19—Telegraphic
 reports to the Evening Sun from the
 leading industrial centres where the
 necessities of life are produced are
 to the effect that the crest of the
 high prices has been reached in the
 United States, and in many instances
 passed.

Boston, May 19—Price reductions
 ranging from fifteen to fifty per cent.
 were advertised today by various
 retail stores. Most of the reductions
 were in clothing, but one large de-
 partment store announced also a re-
 duction of twenty-five per cent. on
 lines of cottons, blankets, linens and
 other goods. A store specializing in
 women's clothing displayed window
 cards proclaiming that everything
 was cut one-half in price.

Youngstown, Ohio, May 19.—A
 reduction of twenty per cent in
 prices of nearly all goods was an-
 nounced today by one of the large
 downtown department stores.

Omaha, Neb., May 19—Auto
 dealers and dentists to-day announ-
 ced material reductions in their prices
 while among the larger department
 stores all but one had placed on sale
 their entire or greater portion of
 their stocks at discounts ranging
 from 20 to 50 per cent. Several shoe
 dealers also announced discounts of
 one fifth of the selling price. Sev-
 eral dentists advertised a twenty
 five per cent. reduction on all charges.

Fresno, Calif., May 19—General
 reductions of silk goods of twenty-
 five per cent. were announced by
 retailers in advertisements published
 today.

Cheyenne, Wyo., May 19—Reduction
 of fifteen per cent. on the prices
 of all dry goods and clothing, effec-
 tive today, was announced by one
 merchant here.

Kansas City, May 19—The bank-
 ers of the United States are deter-
 mined there shall be no more \$25
 shoes and \$150 clothes. Richard S.
 Hawes, St. Louis, president of the
 Bankers Association, told the annual
 convention of the Missouri Bankers'
 Association here yesterday. He urged
 the bankers to refrain from lending
 money for speculation in food and
 land.

The Caterpillar Pest

In certain sections of the eastern United States the notorious European Corn Borer has become established and in view of the grave danger of this serious foreign pest being brought into Canada, the Entomological Branch of the Dominion Department of Agriculture, has issued a special circular dealing with this insect and others which bore on corn and which may be mistaken for it. This has been prepared by Mr. Arthur Gibson, Chief of the Division of Field Crop and Garden Insects. It comprises 14 pages and has seven illustrations. A limited edition only of this circular has been printed. Agricultural workers and others specially interested may obtain copies free of charge on application to the Publications Branch, Department of Agriculture, Ottawa.

CHARLES ROBINSON MANAGER
 At a special meeting of the execu-
 tive of the St. John Exhibition As-
 sociation, with E. A. Schofield presid-
 ing, Charles Robinson was appoint-
 ed manager for this year's fair. R.
 R. Patchel was appointed superinten-
 dent of grounds. Various matters
 in regard to the conduct of the ex-
 hibition were considered, and it was
 also decided to increase the cost
 of admission to fifty cents for adult
 and a gain of 100 per cent. over
 the former rates.

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.
