He was taken on board the train and brought to Newcastle, where his injuries were found to be painful but not serious. The Limited was delayed here twenty minutes.

**A NUISANCE**  
It is about time that the teamsters who deliver wood from the mills to residences in town, were given to understand that the habit of allowing wood to fall off their carts and remain on the streets had come to an end. Any day at almost any time you can pick up wood from the streets which has fallen from their carts. It would be a small matter for them to pick it up and throw it back on their load, but they don't seem to pay any attention to it and keep on going. They should be forced by the authorities to do so, and thus rid the town of this nuisance.

**BAND CONCERT**  
The Newcastle Concert Band will give another of their delightful band concerts in the band stand tomorrow evening. The members of this organization take a deep interest in their work and devote a large part of their time in rehearsing their numbers, so that they can in turn give the public a high-class musical concert. The organization is one of the best in the province and is deserving of public support. The citizens appreciate the efforts of the band members and enjoy their concerts, but it is necessary that their appreciation be shown in a tangible way. We feel certain that the general public will endeavor to do so, when the opportunity is presented.

**TURN HIM DOWN**  
If a pedlar or traveller from out of town solicits your trade and you can get the same goods here at a fair price, turn him down frankly and firmly. Tell him you would sooner help the fellow here who is paying his share of the taxes than some concern in Toronto or elsewhere.

**RAINY WEEK-END**  
Heavy rain fell during the week-end. All day Sunday the rain fell steadily and a few showers on Monday. The rain did a great deal of good throughout the country, as the ground was dry and in need of a good soaking. Although the crops were benefited, cut hay was drenched, and the farmers will have considerable work drying it out.

Are the grocers in different sections of New Brunswick who handle no other tea than MORSE'S making a mistake in confining themselves to one brand? The blenders of MORSE'S TEA say no. They say that MORSE'S TEA is so delicious, so satisfying to those who use it, that it fulfills all the requirements of the most exacting customer.

**CAN'T GET AWAY FROM IT**  
Bert Lytell is honest and upright in private life, but he is so often called upon to portray "crook" parts on the screen, that some dark night "out of character" and just naturally hop in the post office window and blow open a safe. Now Bert is a "crook" again in "Kick In," which comes to the Opera House on Wednesday and Thursday. Betty Compton is the featured female player.

## Guard Baby's Health In The Summer

The summer months are the most dangerous to children. The complaints of that season, which are cholera infantum, colic, diarrhoea and dysentery come on so quickly that often a little one is beyond aid before the mother realizes he is ill. The mother must be on her guard to prevent these troubles, or if they come on suddenly to banish them. No other medicine is of such aid to mothers during hot weather as Baby's Own Tablets. They regulate the stomach and bowels and are absolutely safe. They are sold by medicine dealers or by mail at 25c a box from the Dr. Williams' Medicine Co., Brockville, Ont.

## P. E. I. Province Ousts Liberalism

The Conservatives made almost clean sweep in the P.E. Island Provincial elections on Thursday, the Bell government coming out of the debacle with only four seats out of thirty.

The Opposition carried the whole ten seats in Kings county where the leader, J.D. Stewart, K.C., was running.

In Queens county the result was nine Conservatives and one Liberal. In Prince county three Liberals and seven Conservatives were elected.

Every member of the Bell government was defeated, in almost every case by large majorities.

The new Opposition leader will probably be A.C. Saunders, K.C., of Summerside, who has as his followers his colleagues, W. H. Dennis, in the second district of Prince Creelman-McArthur of Summerside and J.C. Irving of Cherry Valley.
