Notice to Mariners
Point Platte, Miquelon,
St. Pierre.

The following information has been
 received from the Vice-Consul of
 France, St. John's.—That owing to
 the bad condition of the Fog Alarm of
 Point Platte (Miquelon), guns are
 fired there during foggy or snowy
 weather, every 20 minutes; but those
 measures having not proved efficient
 enough, it is thought better to advise
 navigators to avoid the Islands dur-
 ing bad weather, until further notice
 is given.
