CHARLOTTETOWN, P.E.I., To-day.
At the session of the Provincial Legislature, yesterday, while the question of the Government's probable action with reference to the adoption of measures for the prevention of tuberculosis were being discussed, Hon. He would also give a thousand a year for ten years for the upkeep of the institution.

LONDON, To-day.
It having come to the knowledge of the Powers that the Balkan Allies decided not to deliver their reply to the terms of peace, drafted by the Ambassadors held with the foreign office, to insist that the reply shall be no longer delayed. This decision will be made known to the Allies through the Ministers of the Powers stationed in the Balkan capitals. A settlement of the Turco-Bulgarian frontier, which all parties have agreed shall be drawn in a straight line from the Gulf of Enos to Midia to give the Powers the necessary excuse for hurrying the Allies.

Supreme Court.
Before the Chief Justice and Mr. Justice Johnson.

The Empire Trust Co. vs. Donald M. Browning, Liquidator.

This was an application on the part of the plaintiff as trustee under an indenture of mortgage, dated November, 1903, and made by the defendant company, for an order for sale of the property of the Company covered by the mortgage.

Mr. H. A. Winter for plaintiff moves for an order for sale. Mr. Knight, for defendant, submits to judgment, declaring the property mortgaged to be within the control of the plaintiff, and submitting to an order for sale. He, however, withdraws from such order the sum of \$4,026.00 now in the hands of the liquidator for subsequent disposition in the winding up of the Company. After the hearing of counsel for both parties, the Court adjourned, taking time to consider judgment.

The True Patriot.

How blessed is the man who asks no office, low or high, but who rustles at his useful tasks, nor yearns to bleed and die! No spoiled ambitious make him sorry or cause him to reprove; and every day, at every door, he gets the "Welcome" sign. He is no politician's pup, to follow him through town; no whippersnapper hicker up can ever call him down. He does not need to whine and sob in some cheap statesman's cars, that he may hold his dinky job another term of years. It isn't needful to pretend he loves the unwashed jay; he needn't call his bosom friend each rube who comes his way. He cares not for the smiles or frowns of people in high place, but in his old blue hand-me-downs, he toils with skill and grace. From all official letters free, he herds his loving kine, and prunes the spreading pumpkin tree, and trains the cabbage vine. Administrations oft may change, and patriots may

Hr. Grace Notes.
The night train coming through from St. John's on Wednesday, got off the track at Ayondale, and only reached here at 6:45 a.m. Thursday. She left again shortly after 8 o'clock for St. John's. Many people were heard to say, "Oh, the poor train hands!"

W. H. Thompson, Esq., J.P., was suddenly stricken with an attack of illness last evening. Doctors Parsons and Cron were hurriedly summoned and we are glad to say that there is some improvement in the old gentleman's condition to-day. Mr. Thompson had been at his store last evening.

The band concert and social given by the British band in the Society's Hall, on Wednesday, was a grand success socially, but we are sorry to say was not so financially, as it was poorly attended. The bandsmen are always ready to give their services at any public function, and their reward should have been a full attendance at their concert. However, they thoroughly pleased all that attended, and those who failed to get there missed a treat. The different band selections were well rendered, and showed that Mr. Whittam, the instructor and leader of the band, has spared neither time nor trouble to bring it up to its present state of efficiency. Mr. A. Cillis gave a flute solo, and a vocal solo, the accompaniments in each being played by Miss L. Thompson. Mr. Brazil's stump speech on "Woman's Rights," would have delighted the hearts of some of the principal suffragists could they have been present. The tea and cake served after the concert, was all that could be desired. The dance in the Masonic Hall was fairly well patronized and thoroughly enjoyed. Messrs. Garland and Power exceeded themselves in dance music on this occasion. Dancing was kept up until 2.30, when all went to their homes well satisfied with the British band concert, social and dance. The total proceeds was \$52. —COR.

Coaker at Campbellton

CAMPBELLTON, To-day.
President Coaker arrived here from Lewisporte yesterday to address a public meeting. The men gathered and welcomed him with volleys of musketry. The Orange Hall was secured for the meeting and at 7.30 p.m. almost every man and many ladies had gathered. The Chairman of the Council, Mr. Hillier, presided. The President addressed the audience for about two and a half hours, delivering a splendid speech, which created wonderful enthusiasm and was highly appreciated. The most perfect order prevailed. The speaker was continually applauded. At the close cheer after cheer was given him. The National Anthem was sung then the audience again cheered for the Union, United Candidates, Sir R. Bond, and Campbellton Council. It was Mr. Coaker's first visit to Campbellton as President, and his speech will long be remembered. He will hold a meeting at Lewisporte to-night and be here at St. John's on Monday.
