PYORRHEA.
Of all the poison taken into the blood, the germs and pus contributed by diseased gums (Pyorrhoea) are the most destructive to the human system. If every red blood cell is forced to fight against numbers of germs to the cells, the blood cannot attend to the building up of the body, and if allowed to continue the system is bound to break down and eventually you are an invalid. Kidney, stomach, heart trouble, rheumatism and many other diseases are brought on by diseased gums and teeth.

TESTIMONIAL!

The White Clothing Mfg. Co., Ltd. Oct. 15th, 1919.
GENTLEMEN—We received your bill and the 50 Suits O.K. and let me congratulate you and the working people on the workmanship of the clothes.

I inspected the Suits and they were done to the "point." You can show this letter to your workmen as they deserve it. I just came from the States and I consider the style and fit wonderful, and we can assure you that as long as we receive work as good as these you can be assured of our trade.

Hoping you will do all of our work like this, and thanking you very much,
I am, respectfully yours,

We received the above testimonial from one of our most particular outfit merchants. We value his opinion and pass it on to our many customers.

Testimonies like the above have helped us to overcome the many difficulties essential to the starting of a new industry.

WORKMANSHIP AND VALUE have been the main driving points in forcing us to the front after four months' operation as the
