CAUTION!

The Heart is the seat of life. It has more responsible work to do than any other organ in the body of human life.

Why do you neglect it? Don't you read in the papers of the many deaths that are caused by the failure of the heart? Keep it in good order. Help it to be strong and prolong life. Dr. F. G. Kinsman's Heart Tablets has been tested and recommended by thousands of people to be the only remedy that could keep your heart in good order.
