Going Out of Business

Tenders are asked up to January
10th, 1925, for the purchase as a going
concern of all the stock in trade
and substantial Freehold Building on
George Street, now occupied as an
Undertaking establishment by the un-
derigned. The stock consists of im-
ported polished and cloth covered
caskets, local made caskets, silver
mountings, coverings and linings,
summer and winter hearse, 1 super-
ior covered hearse, with plate glass,
sides and doors, and all the necessary
equipment of one of the best Under-
taking establishments in the city.

N.B.—Separate Tenders are asked
for the Building which is Freehold,
three story high, 30 feet frontage, has
water and sewerage, electric light and
gas connections, owing to its nearness
to Water Street, would make an ideal
feed store or auction market. Here is
a chance for some young man with a
little capital to obtain a good business
established over thirty years. This is
one of the last chances to secure a
piece of freehold on George Street.
Reason for selling, getting to old
to give the business the proper atten-
tion it requires.

Undertaker.
