THE COACH as Buick Builds It

BUICK now presents the Coach. And "coach" ideas have been revised, for the type of coach that Buick presents changes the standards that previously have governed coach construction.

Here finally is a car of the coach type that is a real closed car, one in which closed car quality, comfort, equipment and durability have not been sacrificed to price.

This Buick Coach embodying these new principles of coach design, is available on either of the two dependable Buick chassis. There is a Master Six Coach and a Standard Six Coach—the quality is identical.

Besides being built on the Buick chassis, Buick Coaches show further advantages over the ordinary coach type.

Buick Coach bodies are built by Fisher and present the same smart sweeping contours as other Buick closed cars. They are finished in the new indestructible "Duco" of most pleasing color combinations.

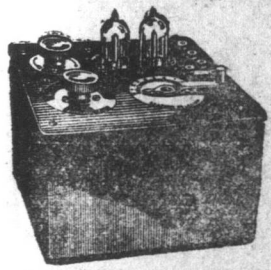

Buick Coaches are fitted with refinements as only found on cars that are much more costly. The improved new Fisher V.V. one-piece windshield that is lifted automatically is a feature of comfort and value.

And for safety Buick has its mechanical and reliable four-wheel brakes, endorsed last year by over 200,000 Buick owners. These are the first coaches to be offered with this modern brake equipment.

Radiolas

RADIOLA III,

including two Radiotrons
WD-11 and one set of head
telephones.

\$45.00

"ENGLAND" with the ear phones.

"BOSTON" on the loud speaker.

RADIOLA III has been designed to fill a great need in rural districts, for a receiver that would be at once good and inexpensive. Ease of operation is a delight to all who use these sets. A single control does all tuning, while another knob controls the "flicker" or intensity. Anyone can tune these Radiolas without a minute's instruction.

RADIOLA III. \$45.00

GENUINE R.C.A. TUBES . . . 4.00

"THERE'S A RADIOLA FOR EVERY PURSE."

Harbor Grace Notes

The Three Act Comedy Drama "Paddy Casey," which was presented on St. Patrick's night, was repeated again on Thursday last, in the Academy Hall. The failure of the electric lights on St. Patrick's night, which spoiled some of the effects in the last act, and as many were unable to obtain tickets for the first performance, it was decided to repeat the Play. This time the attendance was fairly good, and some thirty or so from Carbonara were present, and the proceeds amounted to over fifty dollars. Each performer again acted well, to the amusement of the audience.

The Funeral of the late Mr. Lemuel Simmons, who was brought here from the city for burial, was held on Sunday, March 22nd, from the residence of Mr. Thomas Fitzgerald, and was very well attended. He was laid to rest in the family plot in the Methodist Cemetery, Rev. Mr. Harris, officiating. The late Mr. Simmons was well known in this town by the older people having been a native of Bristol's Hope, and worked for years, as Ship's Carpenter, in the employ of Messrs. John Munro & Co. here, and since 1902 has resided in St. John's. He had reached the good old age of eighty years, and his wife predeceased him about six months ago. He is survived by one daughter, Mrs. William Cole, of Carbonara, and three sons, James and Robert at St. John's, and Lorenzo, Commandant, S.A. Clarke's Beach to all of whom we extend sympathy.

Mr. A. L. Collins is intending to hold a concert in St. Paul's Hall on the evening of April 21st, and some of our leading local talent are busily engaged practicing for this event. The programme will consist of—Solo, Duets, Trios, and Choruses, and will be concluded with a laughable farce.

Mrs. Harold Jerrett arrived by Monday night's train from Corner Brook, on a visit to her mother, Mrs. R. S. Parsons.

Mr. A. J. Kavanagh, of St. John's, arrived here recently and will remain awhile, overhauling and repairing motor cars in readiness for the coming season.

Mr. W. S. Madigan went to St. John's by Tuesday's train on a short visit.

Mr. R. E. Innes, of St. John's, has been in town during the last few days on a business visit.

The death of Mrs. Ellen Frances Mackey, wife of Mr. Michael J. Mackey of Riverhead, occurred at her home there on Thursday morning last, after a long illness, which she bore with true Christian fortitude. She possessed many sterling qualities and will be greatly missed by a large circle of friends. Mrs. Mackey was 54 years of age, and is survived by her husband, one sister, Mrs. Stenson, of Boston, and five brothers, Messrs. Thomas, John, Nicholas, Martin and Ronald Shanahan, all residing at Riverhead. The funeral was held on Saturday morning at 9 o'clock, and interment made in the R. C. Cemetery. To the bereaved we tender our sincere sympathy.

COR.

Harbor Grace, April 2nd, 1925.

An Inseparable Companion

In the handbag, on the dressing table, shopping, visiting, the "Three Flowers" Compact has become the inseparable companion of discriminating women. It is so charming in appearance, so useful whenever the complexion requires a deft touch of refreshment—so artistic, unique, smart in every "tiniest" detail. Refillings may be obtained at any drug or department store.

Here and There

THE TRAINS.—The express reaches the city at 10:30 a.m. Thursday's west bound train left Humbermouth 9:40 a.m. The train with the Kyle's mail and passengers left Port aux Basques at 4 o'clock this morning.

WANTED.—To Rent for summer months in the country, a Small House or Cottage, furnished or unfurnished, within walking distance from Water Street. Address: A. C. BLACKMORE, Bank of Montreal, St. John's.

TIME

The Fortune Builder

One of the essential elements in the building of a reserve of money is time. Sometimes this element is overlooked.

It is said that one cannot aim too high. This does not always work out in finance. Many try for a million and end in disaster.

Far better compute your future income and capital on a five to six per cent. basis, and this from investment in sound bonds.

You will be surprised to see what a very comfortable and safe money reserve this will yield you with the years.
