LOCAL MATTERS.

Division Court.

The next sitting of the Division Court
will be held here on Wednesday, the 6th
inst.

County Council.

The County Council meets for the
transaction of general business at Stratford,
on Tuesday next, the 5th inst.

Sleighting.

During the present week the sleighing
has been remarkably good for this season
of the year, and as a consequence there has
been a general rush of business in town.

New Shingle.

The late law firm of Dingman &
Darling, is now changing to that of Darling &
Mabee, and the name of the new firm will
be seen over Scott's Banking House, Wal-
lace Street.

Liberal Club.

The regular monthly meeting of the
Liberal Club for business takes place this
Friday evening, at seven o'clock. The
report of the literary committee will be
presented to the meeting.

Shooting Match.

A shooting match, under the auspices of
the "Commercial Hotel," will be held to-
day (Friday) on the river flats, somewhere
within the limits of the Corporation. We
have no doubt but that the boys will have
"lots of fun."

Postoffice.

The postoffice is to be removed this week
to Scott's block, two doors east of the
"Grand Central Hotel." The new office
will have all the accommodation of the
present one, though it will not be so cen-
trally situated.

Skating Rink.

Mr. George Adam has rented the skating
rink from Mr. W. G. Hay for the season,
and is having it put in order for the ac-
commodation of the public, as soon as
there is sufficient frost for skating an-
curing. Mr. Adam intends to have a grand
opening of the rink.

Purchase.

Mr. T. E. Hay has purchased from
Messrs. Sear & Russell, Drayton, the
sole right for the Dominion to manufacture
what is known as Sear's combined seed
and double stroke diamond cutting harrow,
and is being extensively used by
farmers wherever it is introduced.

Fire.

Mr. William Manning's dwelling house,
in the West Ward, had a narrow escape
from being destroyed by fire on Tuesday
afternoon. The chimney caught fire, and
from some defect in its construction the
fire got through the bricks and ran up the
surrounding wood work near the roof. The
flames, however, were quenched by the
neighbors before the roof was wholly de-
stroyed.

For Manitoba.

The Mayor, T. E. Hay, in company with
Mr. James Lewis, left town on Wednesday
on their third trip to Manitoba. They
took with them a carload of sleighs,
specially manufactured for the Manitobans
by Messrs. Young & Seaman, who have a
reputation for superior work-
manship. The Mayor and Mr. Lewis
intend to be back about Christmas, barring
accidents.

Fined.

On Thursday, Andrew Mark, a hotel
keeper in Wallace, was brought before
Geo. Draper and L. Bolton, Esqs., for
alleged selling of liquor after statutory
hours. As the evidence sustained the
charges, Mr. Mark was fined \$20 and cost,
with the alternative of "going down." The
fine was paid. At the conclusion of the
trial, the Chief Justice gave the two young
men who had got their liquor, and who had
furnished the evidence against themselves
and the hotel-keeper, some good fatherly
advice for their guidance in the future.
Mr. Fisher, the Inspector, is looking
sharply after the violators of the law.

Important to the Sick.

Dr. McCulloch, the celebrated European
and American Physician, so famed for his
unrivalled success in the treatment and cure
of all chronic and lingering diseases, will
visit Listowel professionally, and may be
consulted at the Grand Central Hotel, from
Saturday, December 16th, to Saturday, De-
cember 23rd. Therefore, all so afflicted
would do well to consult the doctor at once
and be restored to health and happiness.
N. B.—See posted bills; also hand bills.

Christmas Tree.

An entertainment will be given to the
pupils of the Presbyterian Sabbath School
on the Friday evening preceding Christ-
mas. In addition to the usual short
addresses, there will be singing and recita-
tions by the pupils, but the special feature
of the evening will be the Christmas tree
and the distribution of its "fruit."

Municipal.

The "running season" for municipal
honors begins about the first of the
present month. As will be seen by reference
to card in another column, Mr. A. F. J.
Lustig announces himself as a candidate to
represent the East Ward in the Council for
the coming year. Mr. Lustig has no lack
of wind and muscle, and should make a good
"run." He is also well and favorably
known to the rate-payers of the Ward.

Deer Slaying.

Our townsman, Mr. R. Wilson, who is
known to be one of the keenest and most
successful deer hunters in the Dominion,
and who went on his annual trip to
Muskegon some three or four weeks ago,
writes to say that his first two weeks'
hunting produce was sixteen fine deer.
During the second week he killed a very
large buck, for which he received \$10 cash
from a number of American hunters. He
expects to capture about 50 before he re-
turns at the close of the hunting season.

Conservative.

We understand that a Conservative
Convention of the North Riding will be held
here on the 8th inst., to select a candidate
to be defeated, we hope, at the coming
general elections for the Local Legislature.
Upon whom the mantle of the late Reeve
of Wallace may fall, we believe is at
present rather perplexing, but time will
tell. Meetings in the various municipali-
ties for the selection of delegates to attend
the Convention take place on Monday
evening next, the 4th inst.

Personal.

Dr. Wm. Rothwell, brother to Mr. B.
Rothwell, Principal of the Public School,
is in town this week on a visit to his
relatives. The Dr. is located in Boise
City, Idaho, where he has an extensive
practice. The climate of that country ap-
pears to agree with him.—Mr. John
Glennie, formerly of Ema, has returned
from the Northwest, and is spending a few
days amongst his relatives in this section.
—Mr. F. Alliger, formerly of the town,
but now in the mercantile business in Parry
Sound District, is in town this week.

Delegation.

On Wednesday, Messrs. W. G. Hay,
J. W. Scott and R. Woods, members of
the Town Council, went to Palmerston as a
delegation to consult with representatives
from Harrison, Minto, Wallace and
Palmerston in reference to agreements
made with the Grand Trunk Railway
Company. It is claimed that the Company
has violated the agreements made with the
municipalities, and is therefore responsible
for damages. An appeal to the law Court
for redress is under consideration by the
municipalities interested.

Real Estate Sales.

Messrs. A. G. & J. C. Hay a few days
ago, disposed of one of their farms, lot 15,
on the 4th concession of the township of
Wallace, containing 100 acres, to Robert
McMillan, of Mornington, for the sum
of \$3,000. They have also sold lot
11 and 32, on the 7th line, Wallace, con-
taining 50 acres, to Jacob Anderson, of the
township of Downie, for \$2,400. In ad-
dition to these sales, they have sold to
Wm. Kennedy, of Wallace, the back 30
acres of the McMillan estate, within the
township of Wallace, for \$2,300. In two
properties, within the past few days, they
have sold lot on Main St., East Ward,
to Mrs. Brown, for \$350; also a house and
lot on Bonar St., to R. G. Wright, for
\$350. On the other hand, they have
purchased from M. Sullivan the McMillan
estate, containing 140 acres, for \$4,500.
Cash, together with the Grainger and
Edmondson property, in the West Ward,
and resold the same to S. Culbert, Jr., for
\$250.

Social.

There was a good attendance at the
German social held last week in Osborne's
Hall. The programme began by a musical
selection from the choir, followed by a short
address from the chairman, Mr. A. B.
McCallum. Mr. A. A. dialogue, entitled
"The Disatisfied Annie," was cleverly
rendered by four little girls, Maria Kreuger,
Lida Loria, Ida Scherer and Maggie
Heppler. This was followed by another
dialogue, "Ned's Horse," in which part
was taken by four boys, John Kreuger,
Theo. Hess, Ernest Sommer and Robert
Hess, who all sustained their parts re-
markably well. Refreshments were next
in order, the whole company joining in this
part of the entertainment. After supper,
the choir gave another selection, and then
followed a dialogue, entitled "The Money"
by Lizzie Vogt, Mary Lustig and Carrie
Zillax. After another dialogue had been
given, and a solo by Miss Ida Scherer, short
addresses were given by Messrs. B.
Rothwell, T. G. Fenell, S. Peavitt and
Dr. Sommer, the proceedings were brought
to a close.

Nominations.

The nomination for municipal offices
takes place on Friday, the 22nd instant,
and the polling on New Year's day. It is
about time the electors were giving some
attention to a choice of candidates.

Improvements.

Messrs. J. M. & A. Climie & Co. have
had their grist and flouring mills closed for
the past week, for the purpose of putting in
two more sets of rollers. The mill has now
ten sets of rollers, or a grinding capacity
of 300 barrels per day. The mill will be
open for business on Monday next.

Anniversary Services.

It is expected that the anniversary
services of Knox Church, Listowel, will be
held this year on the 17th inst. It will be
remembered that these services last year
were made exceedingly interesting by the
presence of Mr. Wright, of Stratford, and
we are sure that the standard thus raised
will not be fallen from on the present
occasion, as the Congregation hope to re-
ceive the aid of Rev. J. V. Smith, of Galt,
both on the Sabbath and following Mon-
day evening, at which time they hope also
to have the presence again of Mr. Wright,
of Stratford.

Tory Club.

The Conservatives of the town, taking
their cue from the action of the Reformers
last week, have rented and fitted up a hall
as a club room for holding regular meetings.
Our Tory brethren have gone about the
matter in a very quiet sort of a way, and
we only mention the matter in the strictest
confidence. Who the officers are, or by
what name the association is to be known,
we have had no means of ascertaining, and
we very much regret it. In all probability
it will be called the "Listowel Tory
Liberal Conservative Association," whose
immediate object is to investigate how
it comes that only sells at 90 cents
while the N. P. remains in full force and
virtue.

Obituary.

On the 20th ult., Robert Mann, well
known to a majority of the people of the
town and surrounding country, died, after
a short illness, in the 79th year of his age.
His remains were conveyed to the Glen-
allen cemetery. The deceased was a native
of Portlaoine, Scotland, which place he
left in 1847, and went to Sweden, where he
remained for several years, having charge
of a cotton mill in one of the southern
towns. While in Sweden, he became
thoroughly acquainted with the manners
and customs of the people of that country,
and could speak their language fluently.
On leaving that place, he came to Canada
in 1863, and for a time took up his residence
at Glenallen, in the county of Wellington.
He came to Listowel in 1872, and for
several years was in connection with the
w-olles mills. His strength greatly failed
him for the past two or three years, though
he was able to walk about. He was a
member of the Presbyterian Church, and
was universally respected for his upright-
ness of character.

Town Council.

A special meeting of the Town Council
was held on Tuesday evening, the 28th ult.
Members present—(the Mayor in the chair)
the Reeve and Councilors Messrs. Scott, Mc-
Millan, Heppler, Binning, Hay (W. G.),
Brook and Woods. Minutes of previous
meeting read and confirmed. A communi-
cation was read from S. Cowan, Chairman of
Committee of Harrison Council, to meet the
Council of Listowel, Wallace, Palmerston,
Minto and Harrison in Palmerston on
Wednesday the 29th ult., at 2 o'clock p. m.,
to consider the proper course to take in
connection with the change in the running
of the Stratford and Huron Railway. The
Mayor then read the agreement between
the Stratford and Huron Railway and the
Town of Listowel. Moved by J. A. Hackin,
seconded by Wm. McMillan, that a commit-
tee consisting of Councilors Scott, W. G. Hay
and Woods, be asked to meet the committee
of the various Townships at Palmerston in
reference to railway matters.—Carried.
Moved by J. A. Hackin, seconded by Wm.
McMillan, that a committee, consisting of
J. W. Scott, J. Riggs, W. G. Hay, D. D.
Hay, Geo. Draper, Geo. Towner, B. B.
Brook, John Binning, J. P. Mabee, and the
Mayor and second, be formed for the
purpose of opening a negotiations with the
Credit Valley Railway, with a view to
having that Railway extended from Elora
to this point, and also to correspond with
municipalities interested, with power to aid
to their number.—Carried. On motion
Council adjourned.

HOWICK.

Rev. H. Berry, of Trowbridge, con-
ducted the quarterly meeting services in
the Gothic U. M. Church on Sabbath last.
Mrs. D. Ruxton, of Gorrie, who has for a
long time been suffering with a cancer in
her breast, died at the home of some
relatives near Milbank, whom she was
visiting, a few days ago.

Mr. Thomas McLaughlin, of Darlington
township, has purchased his brother John's
farm, lot 14, con. 6, and intends moving
into this township this coming winter.

ST. MARYS.

A small tax has been levied upon the C.
M. churches and circuits in this district for
the rebuilding of the church lately de-
stroyed. The St. Marys church was asked
to contribute thirty-five dollars, and the
amount was promptly sent on Tuesday
morning.

The Literary Society's entertainment on
Tuesday evening was well attended and
very interesting. Messrs. Chaplin and Le-
gave readings and Mr. J. Roberts read
an excellent essay on "Superstition." The
debate on the subject "Republic vs. Limi-
ted Monarchy," was discussed with great
ability on both sides.

The debate for next Thursday evening
will be conducted after a parliamentary style.
The Chinese question will be discussed.

WALLACE.

FARM SOLD.—Mr. Jas. Morrison, of the
third line, sold his farm, about two weeks
ago, to George of the same township,
for \$5,000 cash. The farm contains 100 acres,
has a good brick dwelling and frame barn.
Mr. Morrison intends locating in Listowel
in the meantime. He will dispose of his farm
stock and implements by public auction on
Wednesday, December 20th inst.

NEWTON.

Winter has set in, and farmers are taking
advantage of the sleighing, which is making
business brisk.

Mr. P. Zoeger, our enterprising merchant,
expects to remove to his new store about
the middle of the coming week, and will
be prepared to show everybody a well
selected stock of Christmas goods. He
solicits a call.

Our Mutual Improvement Society held
another meeting last Friday evening, and
the following subject was ably discussed—
"Whether the horse is to be considered
more than the horse?" It was decided
in favor of the horse. The improvement of
some of the speakers from the previous
evening was plainly visible, and if kept
up during the winter months is likely to
improve a great many more.

RETURNED.

Mr. James Duncan, of
Newry, returned from his visit to the Old
Country about two weeks ago, after having
spent a very enjoyable time amongst his
numerous friends. He left Newry about the
20th of September last, and arrived in
Glasgow on the 2nd of October. After
visiting his native place, Aber-vee, he next
went to Corrib, in Ballyshannon, where he
could recognize the scenery of the
place. Before returning, Mr. Duncan,
who is an enthusiastic Scotchman, paid a
special visit to the grave of Robbie Burns,
the "scold house," where it is alleged Tom
Peggy was executed, and to the site of the
celebrated convict meeting, and other places
of interest. He finds great changes
since he last left Scotland, a period of
25 years, and with the exception of his
relatives, he saw but few that he knew, or
could recognize when "discovered," the
companions of his boyhood. He liked the
country well, with the exception of the
weather, he had a pleasant voyage both
going and coming back.

BRUSSELS.

Prof. W. H. Mecke, the well-known
chemist, will be in Brussels from the
10th of December.

Prof. Kanaonka had the misfortune to
fall down stairs in the fax mill and break
his collar bone. He will be all right in
a few days.

John Campbell has disposed of the most
of his furniture to F. Frey, so that Mr.
Frey will take possession about a week.
Mr. Campbell will not remove from Brussels,
at least, for a while.

The first meeting of the literary and
debating society since the election of officers,
was held on Wednesday evening, last
week, the President, D. Scott, in the
chair. The committee appointed to draft
a constitution and by laws presented their
report, which was accepted. After a long
discussion the same was adopted by the
society, with a few exceptions. The
meetings are to be held every second week
on a Tuesday evening, commencing at 7.30
p. m. The first meeting will be on Tuesday
evening, Dec. 5th, when a programme con-
sisting of readings, recitations, essays and
music will be presented.

STRATFORD.

The December meeting of the Perth
County Council will be held at the Court
House, in Stratford, on Tuesday, 5th Dec.
next.

The next General Sessions and County
Court for Perth will be held in the Court
House, Stratford, on the 12th of December.
St. Andrew's church pulpit will be oc-
cupied by the Rev. Thos. McPherson until a
change is provided.

The examination of the pupils of the
County of Perth Model School will be held
on the 7th inst., and a grand musical and
literary entertainment will be given in the
evening of the 8th, by the students.
His Honor, Judge Lutz, was engaged on
Friday and Tuesday last, going through a
long list of appeals against the Stratford
Municipal List. The Reformers presented a for-
midable list, and the Conservatives only a
small list.

The contractor has succeeded in finishing
all the stone and brick work of Stratford's
new Post Office and Customs Building, and
the roof is nearly completed, awaiting the
fitting of the roof. This is the handsomest building
of its kind outside the city in Ontario.

MITCHELL.

Arrangements have been made with the
Fisk Jubilee singers for a visit to
Listowel before the season closes.
The singers will appear in the town
on the evening of the 26th of December.
Mr. Robert Jones, accompanied by Messrs.
Smith and Mulholland, sailed for home on
the 11th inst.

Another trotting match has been ar-
ranged to take place on Friday next, be-
tween Mr. King's "Little Maggie" and
Mr. Skene's "Violet."

A meeting of the North Riding of town and
neighborhood was held at the "Royal" on
Monday evening with a view of organizing
St. Andrew's Society. After considerable
discussion a society was formed and the
President, Mr. J. A. Hackin, appointed; Dr. Bown,
President; N. M. Livingston, 1st Vice; W.
Thompson, 2nd Vice; J. A. Cameron,
Secretary; Geo. Matheson, Asst. Sec.; A.
Johnson, Treasurer; Ross, Tully and Mac
Donald, Chaplains. Relief Committee—
Potts, Instinctive Committee—Alex
Murray, John Tart and D. D. Hay.
—Dr. Bown. After-wards a
large number signed the roll of member-
ship.

MOLES & WATTS.

At 9 o'clock, on the night of the 15th
inst., the Rev. D. Bickell, of Moles-
worth, arrived at Listowel with his bride.
Mr. R. Elliott, one of the elders, met him
there, and at that late hour conducted them
to their future home. There was no
protesting against this, for they soon found
out the mistake, and they all went on
quietly submitting to their wearisome jour-
ney. When they at last came in sight of
the mans, his reverence was greatly im-
pressed to find it all lighted up and abun-
dantly taken possession of that some one within
his amazement lessened when the former
he partner to the bride, came out at
the head of the procession to welcome him and
it was now after ten o'clock, feasting began,
and so hungry were they all that before the
first hour was over they had all eaten the
"one old lady put on her bonnet and
concluded to go, but she didn't. When all

had been satisfied with the good things
provided, Mr. Johnston, on behalf of the
friends present, briefly welcomed the pastor
and his bride, and stated that they would
find a few tokens of the hearty good will
of the people scattered round in the partry
and cellar to help them in beginning their
housekeeping career. Mr. Bickell replied
in a few well chosen words, after which they
all engaged in praise and prayer. The com-
pany then separated, pleased with their en-
tertainment; pleased with their first im-
pressions of the bride, and especially pleased
with themselves for having done a kind
and fitting deed to those who came in the
spirit of their Master to spend and be spent
among them.

WALLACE.

COUNCIL.—The municipal Council of the
township of Wallace met at the town hall,
Galt, on the 11th ult., pursuant to
adjournment, all the members present; the

of \$127.62. Thomas Lee's bill, lumber,

Taylor, and report at next meeting of the

Robinson, that the depuration from the
town of Listowel be heard.—Carried.
The Mayor of Listowel, and Councilors
Scott and Hay (W. G.) then addressed the
Council on the subject of Land Improve-
ment fund. On a careful examination of
the records it was found that the township
of Wallace had received from the process
of School lands alone \$17,584. Of this
sum Listowel is entitled to \$805, less \$165
expended for its benefit before its incorpo-
ration, which leaves a balance of \$440 in
favor of the town. Moved by W. Fergu-
son, seconded by A. Kennedy, that the
sum of \$440 be paid to the corporation of
the town of Listowel, being the amount of
Land Improvement fund claimed by the

on the town hall, and the Reeve issue

eve and Councilor Robinson be appointed to

of January, to transact current business.—
