

Itching

If there is one thing more than another which gratifies us, it is the great volume of hearty thanks which come from grateful parents for the cures Hood's Sarsaparilla has effected upon their children. The agony of despair turns to unspeakable joy as mothers and fathers see dreadful sores and eruptions gradually yield to the potent purifying power of this great medicine, and bright boys and girls given perfect health. Read this:

"When my baby was four weeks old, scurvy eruptions broke out on his body. He became literally covered with

Sores

When six months old the breaking out healed on his body, but his head, face and arms were a terrible sight. I passed many sleepless nights holding his little hands to keep him from scratching his face. I cannot tell what he suffered with the sores. One doctor attended him a year without avail. No one thought he would ever get well. He was almost a year old when I commenced to give him Hood's Sarsaparilla. He soon grew so much better that

Cured

I was able to rest at night. Gradually the sores on his head and arms healed, the burning and itching ceased, and he slept better. In 3 months he looked like another child, gained strength, was cured. I recommend all persons afflicted with sores or any skin disease to take Hood's Sarsaparilla. I feel assured that it will do wonders for others. I cannot praise it too highly for what it has done for my

poor little sufferer. It is hard to believe he is the same child, he is now such a big, hearty, fat boy, a very picture of health. If more people would give Hood's Sarsaparilla to their children, there would not be so many poor, delicate little ones." Mrs. AGNES C. BAILEY, Box 91, McVetown, Pennsylvania.
