Lake Carriers' Association Hears President's Report for Year 1913.

SHIPMENTS VERY LARGE

Novembers Storm Accountable for Nearly All Losses—Ten Vessels Vanished Entirely.

[Canadian Press.] Detroit, Mich., Jan. 22.—The year 1913 was record-breaker for the Lake Carriers' Association, both in volume of business and in disasters, according to the report of William Livingstone, president of the organization, submitted at the annual meeting today. President Livingstone in his report also referred to the Wilson-LaFollette seamen's bill, which if passed, he said, "would work great hardship on the lake fleet." The second week in November was responsible for the great casualty record of the year. During that time 235 lives were lost in the series of storms that swept all the lakes, according to the report. "More ore, coal and grain were moved in 1913 than have ever been moved before," said Mr. Livingstone, "and the rates such that the business was profitably handled. Five cargoes more were paid on and coal to Lake Michigan ports than the rates prevailing in 1912. The grain rate was somewhat lower than the average for 1912, but was nevertheless profitable. The ore movement totalled 49,070,478 gross tons, which was 1,634,701 more than the movement of 1912.

"Up to November, casualties had been few and unimportant. No modern vessels had been destroyed, and the loss of life was the lowest in years, namely nine. "In the second week of November, during the terrible storm, eight staunch ships, representing the best of American, Canadian and British shipyard practice, had totally disappeared on Lake Huron, and two more had disappeared on Lake Superior, with a total loss of 225 lives. Not a soul was saved on any of these 10 ships. Six of these total disappearances were vessels belonging to our association. In addition two barges laden with ore on Lake Michigan, and a lightship foundered in Lake Erie, while six vessels became constructive total losses. Twenty modern carriers stranded in the binding, entailing heavy repair bills. Practically every vessel that was out in the storm found a visit to the shipyard necessary for repairs."

"Under its welfare plan, the Lake Carriers' Association paid out in death benefits during 1913 \$18,245. Seventeen thousand, eight hundred and twenty-five dollars of this amount was occasioned by the November disasters.

HAVE BEEN AN
UNTOLD BENEFIT

New Brunswick Woman Praises Dodd's Kidney Pills.

She Suffered for Four Years, and the Doctor Could Not Help Her, But Dodd's Kidney Pills Gave Her a New Lease of Life.

Porton, Carleton County, N. B., Jan. 21.—(Special.)—"I find Dodd's Kidney Pills the best kidney medicine I have ever used. They have been of untold benefit to me."

The speaker is Mrs. John S. Dickinson, of this place. She is enthusiastic in her praise of the great Canadian kidney remedy, and not without reason.

"I suffered from kidney trouble that started in a cold," she continues, "and for four years I was never free of it. I was treated by a doctor, but he did not seem to be able to do me much good. "I had rheumatism and neuralgia, and my joints were stiff; my muscles cramped, and I was always tired and nervous. I perspired freely with the slightest exertion. I was depressed and low spirited, my limbs swelled, and I had a dragging sensation across the loins. "Nine boxes of Dodd's Kidney Pills made a new woman of me."

Are not Mrs. Dickinson's symptoms those of any run-down, worn-out woman? They are also the symptoms of kidney disease. Dodd's Kidney Pills give new life to run-down women by curing their kidneys.

SICK, SOUR STOMACH,
INDIGESTION OR GAS

"Pape's Diapiesin" Makes Upset Stomachs Feel Fine in Five Minutes.

Wonder what upset your stomach—what portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and when you eat, you have fermented into stubborn lumps; head dizzy and aches, belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapiesin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapiesin regularly keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your food limit without rebellion; if your liver is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapiesin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

Pre-Stock Inventory Sale of Room
Rugs Begins Tomorrow!
About 1-2, 1-3 and 1-4 Less Than Today's Price

Over one hundred rugs are included in this Sale and the price reductions are decisive, as we are determined that no rug reduced will be rejected in this sale for being priced too high. There are a few in this sale which were previously reduced, but we valued them too highly for reason of quality or beauty, and the reductions were not sufficiently tempting. This time we will take the thing at one bite, and any rug to go on sale you may depend that the price tomorrow will be sufficiently tempting to induce prospective buyers to anticipate future needs. If you anticipate a new rug the coming Spring for your diningroom, livingroom, drawingroom, bedroom, library or den, secure it now—during this sale—and save 1-2, 1-3 or 1-4 on the cost of same. We are preparing for stock inventory and are determined to reduce our stock of rugs by over a hundred during the next four days, and the prices have been fixed with this end in view.

AXMINSTER RUGS, WILTON RUGS, VELVET RUGS, BRUSSELS RUGS, SCOTCH WOOL RUGS and TAPESTRY RUGS—all imported direct from the makers in Europe and are shipped direct to us from the looms—and this is one of the biggest and most important clearings yet, and will take precedence over any sale we have ever held in carpet section from the point of quality of goods, beauty of color and designs and price reductions.
