Ed. Note.—The editor agrees with "Civis" that the late Professor Cramb intended "to warn England."

The editorial referred to stated as Poultry, Dressed, Wholesale. The editorial referred to stated as Chickens, per much, noting, however, that a large Turkeys, per chorus of conscriptionists kept the professor company and that the government was far from being asieep.
The editorial was not intended as a "review" of Cramb's book, but simply called attention to two or features of that book, its thor-
