# FIGURES LARGEL

Manitoba Inquiry Continued With Hon. G. W. Coldwell on Stand.

QUESTIONED UPON DATES

Witness Denies Changes in Specifications Made Before Contracts Let.

[Canadian Press.] Winnipeg, June 18.—Hon. G. W. Coldvell, former minister of education, rened his place on the witness' stand when the royal commission reopened this morning, and under cross-examination continued his story of matters under incontinued his story of matters under investigation. It is expected he will occupy the stand most of the day, as he has not yet been questioned regarding the missing witnesses and other incidents related in detail at Minneapolis by V. W. Horwood.

The examination of Mr. Coldwell was directed towards obtaining from him the

directed towards obtaining from him the date on which the Government arrived at certain important decisions with respect to the Parliament Buildings. J. P. Coyne, examining counsel for the Liberals, made considerable use of F. W. Simons' diam. This property of the prope Simons' diary. This record noted that prior to letting the contract the Govern-ment had decided to change from piles to caissons and from reinforced concrete to steel. Mr. Coldwell would not admit this. He said that so far as steel was concerned, he did not recollect the matter being discussed, prior to letting the

Simons' diary apparently afforded unsel information upon which he based a suspicion that the Government, before letting the contract, had decided to make Horwood and not Simon the supervising architect. Asked about this, Coldwell said the matter was not discussed until after letting the contract. Coyne then read to the commission a etter from Coldwell to Simon, dated July the parlor of the Adelaide Street Bap-tist Church for the purpose of consid-ering what steps should be taken to official position on the Parliament Building work. The contract was awarded to Thomas Kelly & Sons July 16 that
