

VACCINATION BAN KNOTTY PROBLEM

Thirty Children Still Remain
Untreated in Defiance
of Order.

Special to The Advertiser.
Paris, Jan. 4.—The local board of health faces a knotty problem at its next meeting in deciding if 30 children, who were absent from city schools all last term, shall be permitted to attend at the coming term. Parents of these children refused to have them submit to the board of health, compulsory vaccination order, and are apparently intending to continue their defiance if necessary. At the last meeting of education meeting Edgar Mills, who was elected to the board largely by anti-vaccinationists, asked the board to take up the matter, but that body declined to intercede with the health board. Mr. Mills said he understood that the provincial board of health had intimated to local authorities that they were against the 30 children might be lifted. Dr. Logie, medical health officer for the city, when asked today if such a communication had been received, said there was no statement for the public until after the next meeting of the health board.

Vote on Union.
Rev. Dr. J. J. Patterson of St. Andrew's Presbyterian church in his sermon this morning declared that he would in no way seek to influence the congregation regarding the union vote, which will be opened next week. He advised the members to follow their own dictates entirely. It is generally known that Dr. Patterson is strongly opposed to union, and many declare that St. Andrew's, which is the largest Presbyterian congregation in Lambton, will vote itself out of union.

Council to Meet.
The 1925 city council at a special meeting Monday morning will take the oath of office. All ex-mayors have been invited to attend, and Rev. Canon D. W. Collins will open the meeting with prayer. The council will probably meet in the afternoon to strike committees.

PLAY TO TIE.
Associated Press Dispatch.
Cleveland, Jan. 4.—Cleveland and Pittsburgh hockey teams battled to a scoreless tie in a two extra period game here tonight.

**WHOOPIING COUGH IS A
VERY SERIOUS TROUBLE
HER 5 CHILDREN HAD IT**
Mrs. S. H. Craig, R.R. No. 1, Padmeston, Ont., writes: "Two years ago, last winter, our five children had very severe attacks of whooping cough. We were recommended, by our druggist, to use

DR. WOOD'S NORWAY PINE SYRUP

which we did with the greatest of success. It cleared out the throat and bronchial tubes, and loosened the phlegm so that they were able to cough it up, and in no time I had quenched the 'whooping'.

"Dr. Wood's" is put up only by The T. Milburn Co., Limited, and has been on the market for the past 37 years. Be sure and get the genuine—Advt.

TRY SULPHUR ON AN ECZEMA SKIN

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Mentho Sulphur. Mentho Sulphur, declared a noted skin specialist, because of its germ-destroying properties, dissolves sulphur, and instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. It is from skin trouble should obtain a small jar of Rowies Mentho-Sulphur from any good druggist, and use it like cold cream—Advt.

SUFFERING FROM FEVERISH COLD?

If the children are feverish, fretful from a head cold or catarrh, with nostrils clogged and head all stuffed, just apply a little pure, antiseptic cream into the nostrils. It penetrates through every air passage, soothing and healing swollen, inflamed membranes and they obtain instant relief.

Try this. Get a small bottle of Ely's Cream Balm at any drug store. Nothing clears the head so quickly. Count fifty. All the stiffness, dryness, straining for breath will be gone. This is so much better than drugging children that every mother should use Ely's Cream Balm—Advt.

SORE THROAT

POSTAL RATES INCREASE FAVORED BY COOLIDGE

Charge On Newspapers and Periodicals Decreases—Second Class Rate Increases.

Special to The Advertiser.
Washington, Jan. 3.—The postal rates increase bill, as amended by the senate postoffice committee and presented to the senate yesterday, is acceptable to President Coolidge, Senator Moses, New Hampshire Republican, said today, following a conference at the White House.

Rates on newspapers and periodicals would be set at 1-4 cents per pound, 1-4 of a cent less than existing rates and 3-4 of a cent less than proposed by the department bill, but religious and educational reading matter would be required to pay this same rate, thereby increasing the gross second class revenue.

AN APPRECIATION.
Dorchester, Jan. 4.—The executive of the W. M. S. of the Dorchester Presbyterian church sent a letter recently to Mrs. (Rev.) W. S. Galbraith of Thamesford, expressing their deep appreciation of her faithful and helpful service as district vice-president of the London presbytery, also wishing Mr. and Mrs. Galbraith much success in their new field of labor. Rev. Mr. Galbraith has accepted a call to Blenheim on the Chatham presbytery.

Rumor Hunting Wife For Prince

Special to The Advertiser.
London, Jan. 4.—Persistent reports are current in court circles that the long cruise upon which the Prince of Wales will be setting out in the next two or three months will probably be his last adventure as a bachelor.

It is whispered that his engagement will be announced in the spring of 1926. South Africa and the Argentine republic will see the prince on his coming voyage, which is expected to last about five months. The Duke of York will take the prince's place during the summer season in town.

FOOD PRICES HIGHER IN THE UNITED KINGDOM

Wholesale and Retail Quotations Are Seventy Per Cent Above 1914.

Canadian Press Dispatch.
Ottawa, Jan. 4.—The recent rise in wholesale prices in the United Kingdom was checked in November in so far as they remain practically the same as in October—sixty-nine per cent above those of 1914—retail prices increased from 75 to 80 per cent, a figure which has not yet been touched since December, 1922, reports Trade Commissioner Harrison Watson, London. This high level is mainly attributable to the increased cost of food, but it is certain that the position is the cause of much of the labor and other discontent which prevails.

VANCOUVER DEFEATS COUGARS

Canadian Press Dispatch.
Victoria, Jan. 4.—A new year's resolution by the Vancouver Maroons that the Victoria Cougars must be stopped blossomed here Saturday, and Lester Patrick's miracle team, as some call it, crooked off the ice with a 3-0 defeat draped about their necks.

TWO STRATHROY PLAYERS WILL JOIN OUTSIDE TEAM

Special to The Advertiser.
Strathroy, Jan. 4.—As Strathroy was unable to finance a team in the A. H. A. this winter, it is expected that S. McCabe and C. Wilkie will sign with some other district team. McCabe is well experienced as a goalie, and Wilkie has played a fast defence game with Strathroy last season.
