THURSDAY, JUNE 16, 1898.

erected, and in some cases townships, in for one who is at best an unknown quanpolicing of counties is also a matter for from home that a Chinaman was emlocal control and in the majority of ployed on his place, but was discharged able to give concerning them.

With the compaign now for has nothing whatever to do with it. We have in British Columbia an entirely different state of affairs, and all of these matters—and many others—come directivation. Down in the west matters—and many others—come directivation. The care of the attorney-gen-like the care of the province, it can be said with perfect truth that the can be said with perfect truth th Westminster a considerable complaint Ellison will contest the constituency in victory for the Hon. Mr. Turner and was made against the attorney-general's the government interest against Mr. Dondepartment because of an alleged unsat- ald Graham. We are very sorry to know man who was drowned upon the Fraser. In the older provinces a matter of this ill for some time, and pleased to hear ill for some time and got within and the hard the hard pleased to hear ill for some time and plea responsibilities resting upon him have advices are that Mr. Ellison's candibeen so efficiently 'discharged. In the dature is being splendidly received legislature Mr. Eberts has developed a throughout the riding. He is very closely valuable faculty for the supervision of identified with the interests of the comlegislation, his capacity in this respect munity and has a wide and influential being conceded by both sides of the circle of friends. He is progressive in house. As a local member, the voters his views and will make an excellent of his constituency have abundant rea- representative. We are, therefore, not son to know that he watches their interact at all surprised to hear that he is makests carefully and secures them a full ing a very successful canvass and that measure of justice.

the greatest praise both at home and Martin is receiving a very hearty weithat if crime shows its head it will be strongly when the Spokene & Political normal strongly be strong arm of the law. They know that the various officers of the growment will administer the law produced only a superficial impression. No one seems to enfertinal any doubt in which the election of Mr. A. W. Smith is one fairly and imparficularity to people when the Spokene e & Northern railway had tapped the rich construency and drawn, its trade which is infactory inquest into the destroy inq abroad, is the manner in which justice come from his old friends who have very

with a provincial record for efficiency difficulty in securing his re-election and are reaching out for trade that properly and ability for the sake of an untried we are advised that he will not. The belongs to our own people. The policy of man, however estimable he may be per-

high name. With broader responsibilities than any of his predecessors, with greater demands upon his attention than they, with a great influx of new people and consequently an increasing number of questions to be determined, Mr. Eberts has been able to maintain the high standard in the administration of this past.

We feel very confident of his re-election. The people of South Victoria are will commend in the past.

Was a pretty close constituency then. In fact, Mr. Prentice got one yote feated his client's plans. The people of Vancouver and of Victoria will scarcely lend their assistance to a political party which is the friend of every other counting of the counting of the consequently an increasing number of questions to be determined, Mr. Eberts has been able to maintain the high standard in the administration of three sessions of useful in the past.

We feel very confident of his re-election. The people of South Victoria are will commend a spirited policy will commend in the past.

We feel very confident of his re-election. The people of South Victoria are will commend in the past which has characterized it in the past.

We feel very confident of his re-election. The people of South Victoria are will commend in the past which has characterized it in the past. they, with a great influx of new people—and consequently an increasing number of questions to be determined, Mr. Eberts has been able to maintain the high standard in the administration of his department which has characterized it in the past.

We feel very confident of his re-election. The people of South Victoria are not likely to set aside a representative with a provincial record for efficiency difficulty in securing his re-election and with the victoria property of the district and province at heart, and at a critical period of the history of British Columbia in the history of British Columbia in the history of British Columbia in the history of British Columbia was prepared to permit our enterprising and will receive support from all classes.

Mr. Rettalack, in Slocan riding, like wise has bright prospects of being mendation of the work in the legislature, and with the influence acquired during that time, and as the supporter of an administration, whose progressive and spirited policy fortune control the next legislature, to work hand and glove with the aliens who are reaching out for trade that properly belongs to our own people. The policy of the district and province at heart, was prepared to permit our enterprising in the history of British Columbia was prepared to permit our enterprising the district and province at heart, was prepared to permit our enterprising the latent was prepared to permit our enterprising the latent was property of the district and province at heart, was prepared to permit our enterprising the latent was property of the district and province at heart, was prepared to permit our enterprising the province at heart, was prepared to perm people of Lillooet have very little sympathy with the opposition, especially courage the construction of railways held last night at their headquarters, corpathy with the opposition, especially that would keep British Columbia businers of Broad and Fort streets. Besides since that party would have deprived that would keep British Columbia busithem of one of their representatives if ness for British Columbians, or at least they had been able to do so.

The opposition in Victoria have nominated three gentlemen as candidates, Messrs. Belyea, Gregory and Stewart.

The opposition in Victoria have nominated three gentlemen as candidates, Messrs. Belyea, Gregory and Stewart.

Their plan is to leave a place on their backless of the province. We believe it will receive the hearty endorsement of the people of the province from a base within the province. We believe it will receive the hearty endorsement of the people of the province from a base within the province. We believe it will receive the hearty endorsement of the people of the province from a base within the province. We believe it will receive the hearty endorsement of the people of the province from a base within the province. We believe it will receive the hearty endorsement of the people of the province from a base within the province. We believe it will receive the hearty endorsement of the people of the province from a base within the province. We believe it will receive the hearty endorsement of the people of the province from a base within the province. We believe it will receive the hearty endorsement of the province from a base within the province. We believe it will receive the hearty endorsement of the province from a base within the province. We believe it will receive the hearty endorsement of the province from a base within the province. We believe it will receive the hearty endorsement of the province from a base within the provi Their plan is to leave a place on their be able in the legislature to represent the people. ticket for Mr. Beaven, whose card to and advance the interests of the fine the electors has been in the Colonist for district to which they will give their several days past. Mr. Beaven in that services. We have yet to hear any memcard distinctly declares that he wishes ber of the opposition claim that Cariboo

ated four candidates. The course which government. In some of the ridings— have supposed that he was addressing they have taken may be characterized possibly in all of them—there will be a as a scheme for not letting the election lively contest, but we see no reason to why we do not know, to have an establishment. In some of the radius have supposed that he was addressing to have all politics run on federal lines, for it would be a misfortune if Conservatives and Liberals were debarred from. preventing the forfeiture of their de them. Kootenay is not going to rank posits.

Teel doubtful of success in any one of them. Kootenay is not going to rank Joseph Martin was quite ready to accept provincial politics. (Applause.) go by default and at the same time feel doubtful of success in any one of pecially kindly ear for fairy tales. Mr. It would be curious to know the history of the negotiations which led to known as the opposition. The opinion and permit this suffering province to the continuous to known as the opposition. The opinion and permit this suffering province to the egotiation of the three gentlemen chosen to represent the the nomination of the three gentlemen expressed above as to the outlook in that languish in despair. Under these cirnamed. To most people it looks like a part of the province is based upon a cumstances we may be permitted to singularly weak ticket, and there is careful reading of the newspapers on doubt if he would throw up a big annual singularly weak ticket, and there is probably more than a suspicion that the candidates are not entirely in accord with each other. It is very well known that a number of opposition gentlemen had quite set their hearts upon the nomination; and while it is too much to expect them to become ardent supposed with the capture of the comment of the capture of the captur porters of the government during the paid by the Premier to that part of the porters of the government during the paid by the Premier to that part of the campaign, we shall be much mistaken if province in the course of a few days. There is nothing especially new from the they lose many nights' sleep devising. There is nothing especially new from the and profitess to attempt to traverse" opposition methods.
