Don't Prod Your Liver to Action

Milk Constitutes Effective Laxative—Sick Headache, Colitis, Biliousness Going or Past, Counteracted.

The organs of digestion, assimilation and elimination—the stomach, liver and bowels—are so closely related and the proper action of any of these organs is largely dependent upon the correct functioning of all the others.

Whenever your liver gets into action with calomel or forcing your bowels with irritating laxatives, as many practice it is a great mistake. A better, surer plan is strengthening and toning the whole digestive and eliminative system, with Nature's Remedy (NR) tablets. NR not only brings immediate relief, but gives lasting benefit. It acts on the stomach, liver, bowels and kidneys, improves digestion and assimilation, overcomes biliousness, corrects constipation and quickly relieves sick headache.

Get your system thoroughly cleansed and purified for once; stomach, liver and bowels working together in wholesome harmony, and you will not have to be reminded every morning that one NR Tablet consistently to keep your whole system in good condition and all feeling fine. Remember it is also a mild and effective laxative.

Get a 25c box and try it with the understanding that if you do not get better relief and better health than you ever got from calomel or liver medicine you ever used, your druggist is authorized to refund your money. Only 25c. Sold and recommended by your druggist.

CHANDLER.

Nov. 27th.—It seems to me that Chandler has been lost for it is certainly a long time that the name has not appeared in our paper.

Business is very dull and no work of any kind. By all appearance it is going to be a very dull and long winter, especially for the poor people. But let us hope for better times to begin with the new year.

The stork does not seem to mind the hard times for last week he called in our parish three times. The first time on Nov. 22nd to Mr. and Mrs. Arthur Myles, a big boy.

Mrs. P. A. Ahier returned from Caplin Saturday night where she had been receiving treatment. She expects to remain home for a few months.

Elections seem to be very quiet here.

We are all very sorry to hear of the illness of Mrs. John Sutton and wish her a speedy decovery.

VIOLATING OF MIGRATORY BIRDS ACT

St. Leonard, November 23.—A case of unusual interest took place here recently before Magistrate Nadeau, when a resident of this place was fined for violating the Migratory Birds Convention Act, in that he had in his possessio a Great Blue Heron. This bird belongs to the same family as the snowy heron or egret, who only a generation ago was so abundant the southern marshes fairly glistened with flocks, but all traces of this esquisite bird now is in the aigrettes that, once worn as its wedding dress to-day wave about the unthinking heads of foolish women. With the uniform system of protection given this bird under the Treaty between Great Britain and the United States for the protection and conservation of Migratory Birds, we can rest assured that such non-game birds who give a picturesque animation to our marshes will not fall a victim to the gun. This bird with out-stretched neck, long, dangling legs, slender body and broad expanse of wing is locally and erroneously called a "crane." The maximum penalty for molesting, killing or possessing unlawfully Migratory Birds is three hundred dollars and six months in jail. Parties engaged in shore bird shooting should make themselves familiar with the Migratory Birds Convention Act, copies of which may be obtained on application to the Commissioner of Dominion Parks, Ottawa.

Yours faithfully,
C. B. DAY,
Deputy Federal Migratory Bird Officers Maritime Provinces.

TO HANG DEC. 7TH?

A prominent merchant of our town has given notice to Mr. D. F. Graham the undertaker, that he will hang himself by the neck? from the telephone pole in front of his store on Dec. 7th if W. S. Montgomery is elected in Restiguche and Madawaska on Dec. 6th. Mr. Graham is however not enthused over this prospect and it is a safe bet that the merchant will still be doing business next year.

HARRISON—FLETCHER.

On Wednesday evening at six o'clock, Nov. 23rd, 1921 the Presbyterian Church, New Richmond, Que. was the scene of a pretty wedding when in the presence of a number of relatives and friends, Miss Ellen, daughter of Mr. and Mrs. Duncan Fletcher of this place was united in the holy bonds of matrimony to Eubulus G. Harrison of Grand Cascapedia.

The bride atired in a navy blue suit if serge was given away by her father, looking very charming as she passed up the isle to the strains of the wedding march.

The ceremony was performed by Rev. Alexander McKay. After the ceremony a reception was held at the bride's home, where she was the recipient of many beautiful gifts. The groom is a son of Mr. and Mrs. William J. Harrison of Grand Cascapedia and a hero of the world war, having served four years in the army most of that [illegible] was won the distinction of corporal.

The newly weds are very popular among a large circle of friends here and in Cascapedia, who all join in extending their congratulations and good wishes for a bright and prosperous future.
