It is proposed to form a Joint Stock Company under the Lame of The Dominion Paper Making and Staining Company (limited).

To acquire the premises, stock in trade, machinery, patierus, plant and good will of the manufacturing and wholesale business of M. Stavaton & Co., known as the Dominion Paper Staining Factory, and to carry on inrenghout the various and sale of all kinds of paper, paper hangings, wall decorations and kindred materials, and to acquire, purchase and contract, lease, own, more gage and dispose of all lands, buildings, machinery, patent rights, trade marks, patterns and with the carrying on of such business, and to act as agents for other companies and firms, manufacturing or dealing in paper, paper hangings, wall decorations and kindred materials.

The business of M. Staunton & Co. has been carried on for every 20.

and firms, manufacturing or dealing in paper, paper hangings, wall decorations and kindred materials.

The business of M. Staunton & Co. has been carried on for over 27 years, having been established in 1855, and has steadily properly from its commencement, notwithstanding the fact that up to the year 1878 there was only a very small and varying duty on wall paper. There is now a protective duty of 30 per cent, under which it is believed much greater progress will be made.

In consequence of the increasing demand for wall paper, and especially the manufacture of cheaper goods and of the great advantages resulting from the employment of the larger capital of the Great advantages resulting from the employment of the larger capital of the Company, it may reasonably be expected that has been done hitherto.

The real estate agreed to be purchased by the Company consists of land in the City of Toronto, having a frontage on Yonge street of 160 feet and a like frontage on McMurrich threet, with a depth extending from street to street of used by M. Staunton & Co., which factory is 40 feet wide by 300 long. The constructed under architectural supervision, so as to admit of being easily encity water.

It may be added, that the real estate being very near the

city water.

It may be added, that the real estate being very near the proposed station of the Ontario and Quebec Railway, is likely to increase greatly in value.

The valuation of the Real Fatate made by Henry Langley and J. W. G.: Whitney, and of the Machinery by William Hamilton, Manager St. Lawrence Foundry Company, and James Findlay, Machinist, can be seen at the office of Messrs. Scarth, Cochran & Co.

The Stock Book is open at the office of Messrs. Scarth, Cochran & Co., the Company's brokers, from whom prospectuses and forms of applications for shares can be obtained. Where no alletment is made the deposit made on application for shares will be repaid in full.
