A WONDERFUL CURE WITHOUT THE KNIFE

of a Malignant Tumor (as large as a quart jar) of several years growth, in advanced stage after operation and local death had begun and after being pronounced incurable by eminent family physicians. This tumor was located in a vital and dangerous part on left side, well back under the arm, growing out from beneath the shoulder blade (scapula) over the large main blood vessels of Mr. J. Upton, St. Ives, Ontario, who has been blessed with excellent health for fifteen years since he was cured of the above. The above specimen may be seen at the Toronto Medical Dispensary and Pharmacy, 329 Yonge-street, with thousands of others, cancers, sarcomas, etc., successfully removed and cured by W. L. SMITH, M.D., Consulting Physician and Surgeon. Hours—10 to 12 a.m., 2 to 4 p.m., 8 to 9 p.m. Consultation free. Chronic diseases a specialty. CARBOLIC SMOKE BALL

This remarkable remedy—CARBOLIC SMOKE—has been used in the Eastern and Western States with the most gratifying results. It acts as a disinfectant upon all mucous membranes where the allergic action, leading them up in a short time. By experimenting in a safe manner it has cured in nearly every case the most severe forms of Catarrh, Asthma, Bronchitis, Neuritis, Headache, Croup, Sore Throat, Eye, Ears, etc. This Carbolic Smoke disinfects the poison in the mucous membrane of the head, throat, bronchial tubes and lungs, upon the same principle as Carbolic Acid would act upon the diseased and poisonous air arising from a patient in a sick room. It is perfectly harmless, being the poison that causes the disease. It is put up in "Little Balls," each ball being as big as a pea, and is used in the office or counting room, with perfect ease.

I have been using the Smoke Ball for about three weeks, and am happy to say I am about cured. CARBOLIC SMOKE BALL CO. TORONTO, Ont., May 23rd, 1887.

Gentlemen—When I commenced using your Smoke Ball for catarrh some three weeks ago, my head and throat gave me so much trouble that I was totally unfit for business of a morning. The Smoke Ball, however, gave me relief, and I feel like a new man. ALEX. WYTHE, St. James Hotel, Toronto, Ont. CARBOLIC SMOKE BALL CO. TORONTO, June 3, 1887.

Gentlemen—I procured one of your Carbolic Smoke Balls for my wife who was suffering from a severe attack of acute bronchitis. She was completely cured by the use of the Smoke Ball in five days. We cheerfully recommend it to others. G. COLEMAN, Advertising Agent Toronto News. CARBOLIC SMOKE BALL CO. TORONTO, Ont., May 13, 1887.

Gentlemen—The Smoke Ball I procured from you has done me a world of good. It has removed those head aching pains that appeared to be located between the eyebrows and the heaving and unpleasant discharge of mucous have almost entirely ceased. Very truly yours, G. W. OSTROM, M.P.P. CARBOLIC SMOKE BALL CO. TORONTO, Ont., June 7, 1887.

Gentlemen—I procured one of your Carbolic Smoke Balls ten days ago for my son and daughter, the one afflicted with asthma, the other with catarrh. It is just what it is recommended to be. Has now almost effected a cure in both cases. We recommend it to others. K. MOKAY, Wall Papers, 224 King-street east. HAMILTON, Ont., June 3, 1887.

Since using your Carbolic Smoke Ball I have had the greatest relief I have had in three years. I have tried many remedies for catarrh and asthma, but yours has done me more good than all the others combined. I cannot speak too highly of it. CARBOLIC SMOKE BALL CO. TORONTO, Ont., June 13, 1887.
