LINCOLN SHEEP, SHORTHORN CATTLE. Fifteen good registered ewes, from 1 to 4 years old, also fifteen choice Shearling rams, can spare a few lambs of both sexes: an extra good red bull calf nine months old and a few choice two year old heifers and other calves. Am offering a bargain in the fifteen ewes as I wish to place them in small bunches with the option of buying their lambs at weaning time. On account of the war disturbance trade with the United States is dull this season and I think the present time very favorable to invest. All correspondence promptly answered.

Thanksgiving.

Let us give thanks! What! You haven't got Anything to be thankful for, Or You have got What You can't be thankful for? Oh, say, That's no way To feel about a good thing! Brace up and bring Yourself to the front. Don't growl and grunt And do the sorry stunt. Pull out of the ruck If you're down on your luck And reach for the skies that are blue. Get out of the shade Your troubles have made. By heck, it is up to you! We know this is a vale of tears, Chockful of woe and sorrow, And turkey that we eat today Is not so good tomorrow. We know that labor is a cross, But still that fortune breaks sometimes And we cannot repair it. But, say, Occasionally good things come our way Don't they? Sure they do, And bully ones too. So let us growl and swear and kick On every day save one. On that one let us pause and thank The Lord for what he's done The way we thought he ought to do To square himself with me and you. Say, We can stand for one Thanksgiving day, Can't we? By gum hear it. If everything is on the bum We must be to blame some! What!

SUFFERS FROM RILES!

ZAM-BUK HAS CURED THESE! Friction on the hemorrhoid veins that are swollen, inflamed, and gorged with blood, is what causes the terrible pain and stinging and smarting of piles. Zam-Buk applied at night will be found to give ease before morning. Thousands of persons have proved this. Why not be guided by the experience of others? Mr. Thomas Pearson, of Prince Albert, Sask., writes: "I must thank you for the benefit I have received from Zam-Buk. Last summer I suffered greatly from piles. I started to use Zam-Buk and found it gave me relief, so I continued it, and after using three or four boxes I am pleased to say it has effected a complete cure." Mr. G. A. Dufresne, 183-185 St. Joseph Street, St. Roch, Quebec, P.Q., writes: "I can highly recommend Zam-Buk to everyone who suffers from piles." Magistrate Sanford, of Weston, King's Co., N.S., says: "I suffered long from itching piles, but Zam-Buk has now cured me." Mr. William Kenty, of Upper Nine Mile River, Hants Co., N.S., says: "I suffered terribly from piles, the pain at times being almost unbearable. I tried various ointments, but everything I tried failed to do me the slightest good. I was tired of trying various remedies, when I heard of Zam-Buk, and thought as I had resource I would give this a trial. After a very short time Zam-Buk effected a complete cure." Zam-Buk is also a sure cure for skin injuries and diseases, eczema, ulcers, varicose veins, cuts, burns, bruises, chaps, cold sores, etc. 50c. box all drug stores, or postpaid from Premier Zam-Buk Co., Toronto, for price. Refuse harmful imitations. Try Zam-Buk Soap, 25c. tablet.

The Old Legislature.

The Provincial House, which will be dissolved in the course of about a week, has been in existence since June 8, 1908. On that day the Administration of Sir James Whitney was returned to power with a following of 87, Hon. A. G. MacKay, the Opposition leader, having but 18 supporters. One Labor representative made up a House of 106 members. At the present time the standing of the parties is: Conservatives 78, Liberals 17, Labor 1. Eight Conservatives and one Liberal resigned to contest Federal constituencies. Hon. Frank Cochrane resigned to accept portfolio under Premier Borden and one supporter of the Government, Mr. S. J. Fox, of West Victoria, was called by death.

If a man says he can do just as good work as usual after being up most of the night before, it is a sign he may be about other things.

HOW OLD PEOPLE

May Prolong Their Lives At an advanced age waste is more rapid than repair. The organs act more slowly and less effectually than in youth. The circulation is poor, the blood thin and watery, the appetite poor and digestion weak. We want to say to every aged person in this vicinity that Vinol, our delicious cod liver and iron tonic (without oil) will prolong life. It creates an appetite, aids digestion and makes good blood. In this natural manner Vinol retards waste and replaces weakness with strength, giving new life to the worn system. If people in this vicinity only realized how Vinol invigorates old people we would not be able to supply the demand. Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. T. B. Taylor & Sons, Druggists, Watford

WELL, WELL!

"PILLS LIKE A FYLE"

So Harsh and Drastic are Many Pills as to Seriously Injure Health.

In a letter written from his home in Valencia, Mr. Marsh Selwyn does service to thousands by drawing attention to the injuries inflicted upon delicate people by drastic purgative pills. "For a long time I suffered from constipation. This condition compelled the use of pills. Like many another, I made the unwise choice of using pills that were like lightning in their activity. I began to be filled with intestinal disturbances, constant rumblings, gas in the bowels and diarrhoea. I grew pale and emaciated. Then the doctor told me drastic irritating pills had caused catarrh of the bowels, an almost incurable disease. Explaining my situation to a friend, he advised a trial of Dr. Hamilton's Pills. I speedily experienced the healing and curative effect they exert on the stomach, liver and bowels. The intestines, freed from irritating drugs, rapidly regained natural tone, the bowels acted as if nature and not Dr. Hamilton's Pills were at work. I know it will be of value to thousands to know that a pill as mild and curative as Dr. Hamilton's is available to the ailing. For bowel disorders, sick headache, constipation, liver and stomach derangement, there is no pill so invariably sure to cure as Dr. Hamilton's Pills. Refuse a substitute. Sold in 25c boxes, all dealers, or The Catarrh-zone Co., Kingston, Ont.

Dr. Hamilton's Pills Are Mild--Never Gripe

A Phenomenon. A workman, endeavoring to explain to one of his mates what a phenomenon was, made the following attempt: "It's like this; Suppose you were to go out into the country and see a field of thistles growing." "Yes," asserted his friend. "Well, that would not be a phenomenon!" "No, that's quite clear," agreed the other man. "But suppose you were to see a lark singing away up in the sky." "Yes." "Well, that would not be a phenomenon." "No, that also seems clear." "But, imagine there is a bull in the field." "Yes," his friend could imagine that. "Even that would not be a phenomenon!" "No." "But, now, Bill, look here. Suppose you saw that bull sitting on them thistles whistling like a lark--well, that would be a phenomenon!"

Boots and Shoes.

Boots are supposed to have been the invention of the Carians. They were mentioned by Homer 907 B.C. Grecian women possessed twenty-two kinds of footwear, which may be classed as those which simply tied on the top of the foot with wide ribbons or straps, and those which cover all the foot up to the ankle. The practice of shoe and sandal wearing can be traced back for some thousands of years and is probably of eastern origin. Frequent mention is made of the

Mann-Metcalf.

A quiet wedding was solemnized at the home of Mr. and Mrs. Cornelius Metcalf, Petrola, at high noon on Wednesday, October 18th, when their daughter, Lillie, became the wife of Clarence H. Mann, of the eighth line of Enniskillen. The knot was tied by the Rev. Neil A. Campbell, pastor of Inwood and St. Presbyterian churches, in the presence of the immediate relatives only of the contracting parties. The bride was gowned in cream voile, and was attended by her niece, Miss Carrie Metcalf, and the groom was ably supported by his brother, James. After the usual congratulations a dainty luncheon was served, shortly after which the happy couple left on a honeymoon trip to points in Michigan. On their return they will reside on the eighth line of Enniskillen.

Hot! "Hot in Brazil?" said the young man who had just returned from a trip to South America. "Well, I should say so. Do you know, for days at a time, we couldn't take our after-dinner siesta on account of the peculiar noises?" "What noises?" asked the blonde stenographer innocently. "Why the coffee popping on the trees. You see, the sun was so hot the grains just roasted before they were picked." "The old traveller yawned. "Rather warm down there, bub," he rejoined, laconically, "but when I was down there you couldn't sleep at night. Every once in a while there would sound the most extraordinary crackling noise that ever fell upon human ear."

"What were the sounds, Mr. Bings?" And Mr. Bings yawned again and replied: "The rubber trees stretching themselves."—Chicago News.

By the time a man knows anything he is usually old enough to keep his mouth shut. GREAT MEDICINE.—Tonti, one of the pioneers of French Canada, lost a hand and wore an iron hook as a substitute. He was in the habit of boxing the ears of refractory Indians with this iron hand, and they have remarked that it was "great medicine." Dr. Thomas' Eczema Oil is great medicine; it takes hold of pain with an iron hand and knocks it out of the system.

When Mark Twain was editor of a Nevada newspaper somebody sent him a turkey with no card attached. The editor ate the bird. Next day he received a letter asking: "Can you tell us what that bird died of? There's a bet on about it."

EGZEMA IS CURABLE

In Every Case Where Our Remedy Fails It is Supplied Free of All Cost. In making this statement we back it up with our promise that if our remedy does not substantiate our claim in every particular, we will without question or quibble return every cent you paid us for it. We take all the risk—you take none. We strongly recommend Rexall Eczema Ointment, which possesses remarkable cleansing, antiseptic, germicidal soothing and healing qualities. It is a grayish-white emollient, with a pleasant odor, and very cleanly for use. The first application produces a refreshing sense of relief, and it quickly subsides and overcomes the inflammation, irritation and discharge when present. It is intended to be applied with a piece of muslin or linen, or it may be applied and allowed to dry in. It affords very prompt relief for pimples, blotches, discolorations, ringworm, acne, tetter, barbers' itch, ulcers, insect bites, nettle rash, hives, sores and wounds. Pointed Paragraphs.

Gossips tell all they know and then some. The social whirl has made many a girl giddy. Most of life's so called tragedies are merely comedies. The motto of a grass widower: "Once-stung, always shy." Money makes the mare go; the lack of it makes her go hungry. People who take the will for the deed never break into the millionaire class. A wise girl never tries to fool her mother. She lets the old lady fool herself. The one way to help a worthless man along is to administer a swift kick in the proper place. It sometimes happens that a man who never even saw an airship flies just as high and falls just as hard. A man has reached the age of discretion when he is willing to admit that other men may have opinions different from his without being fools.
